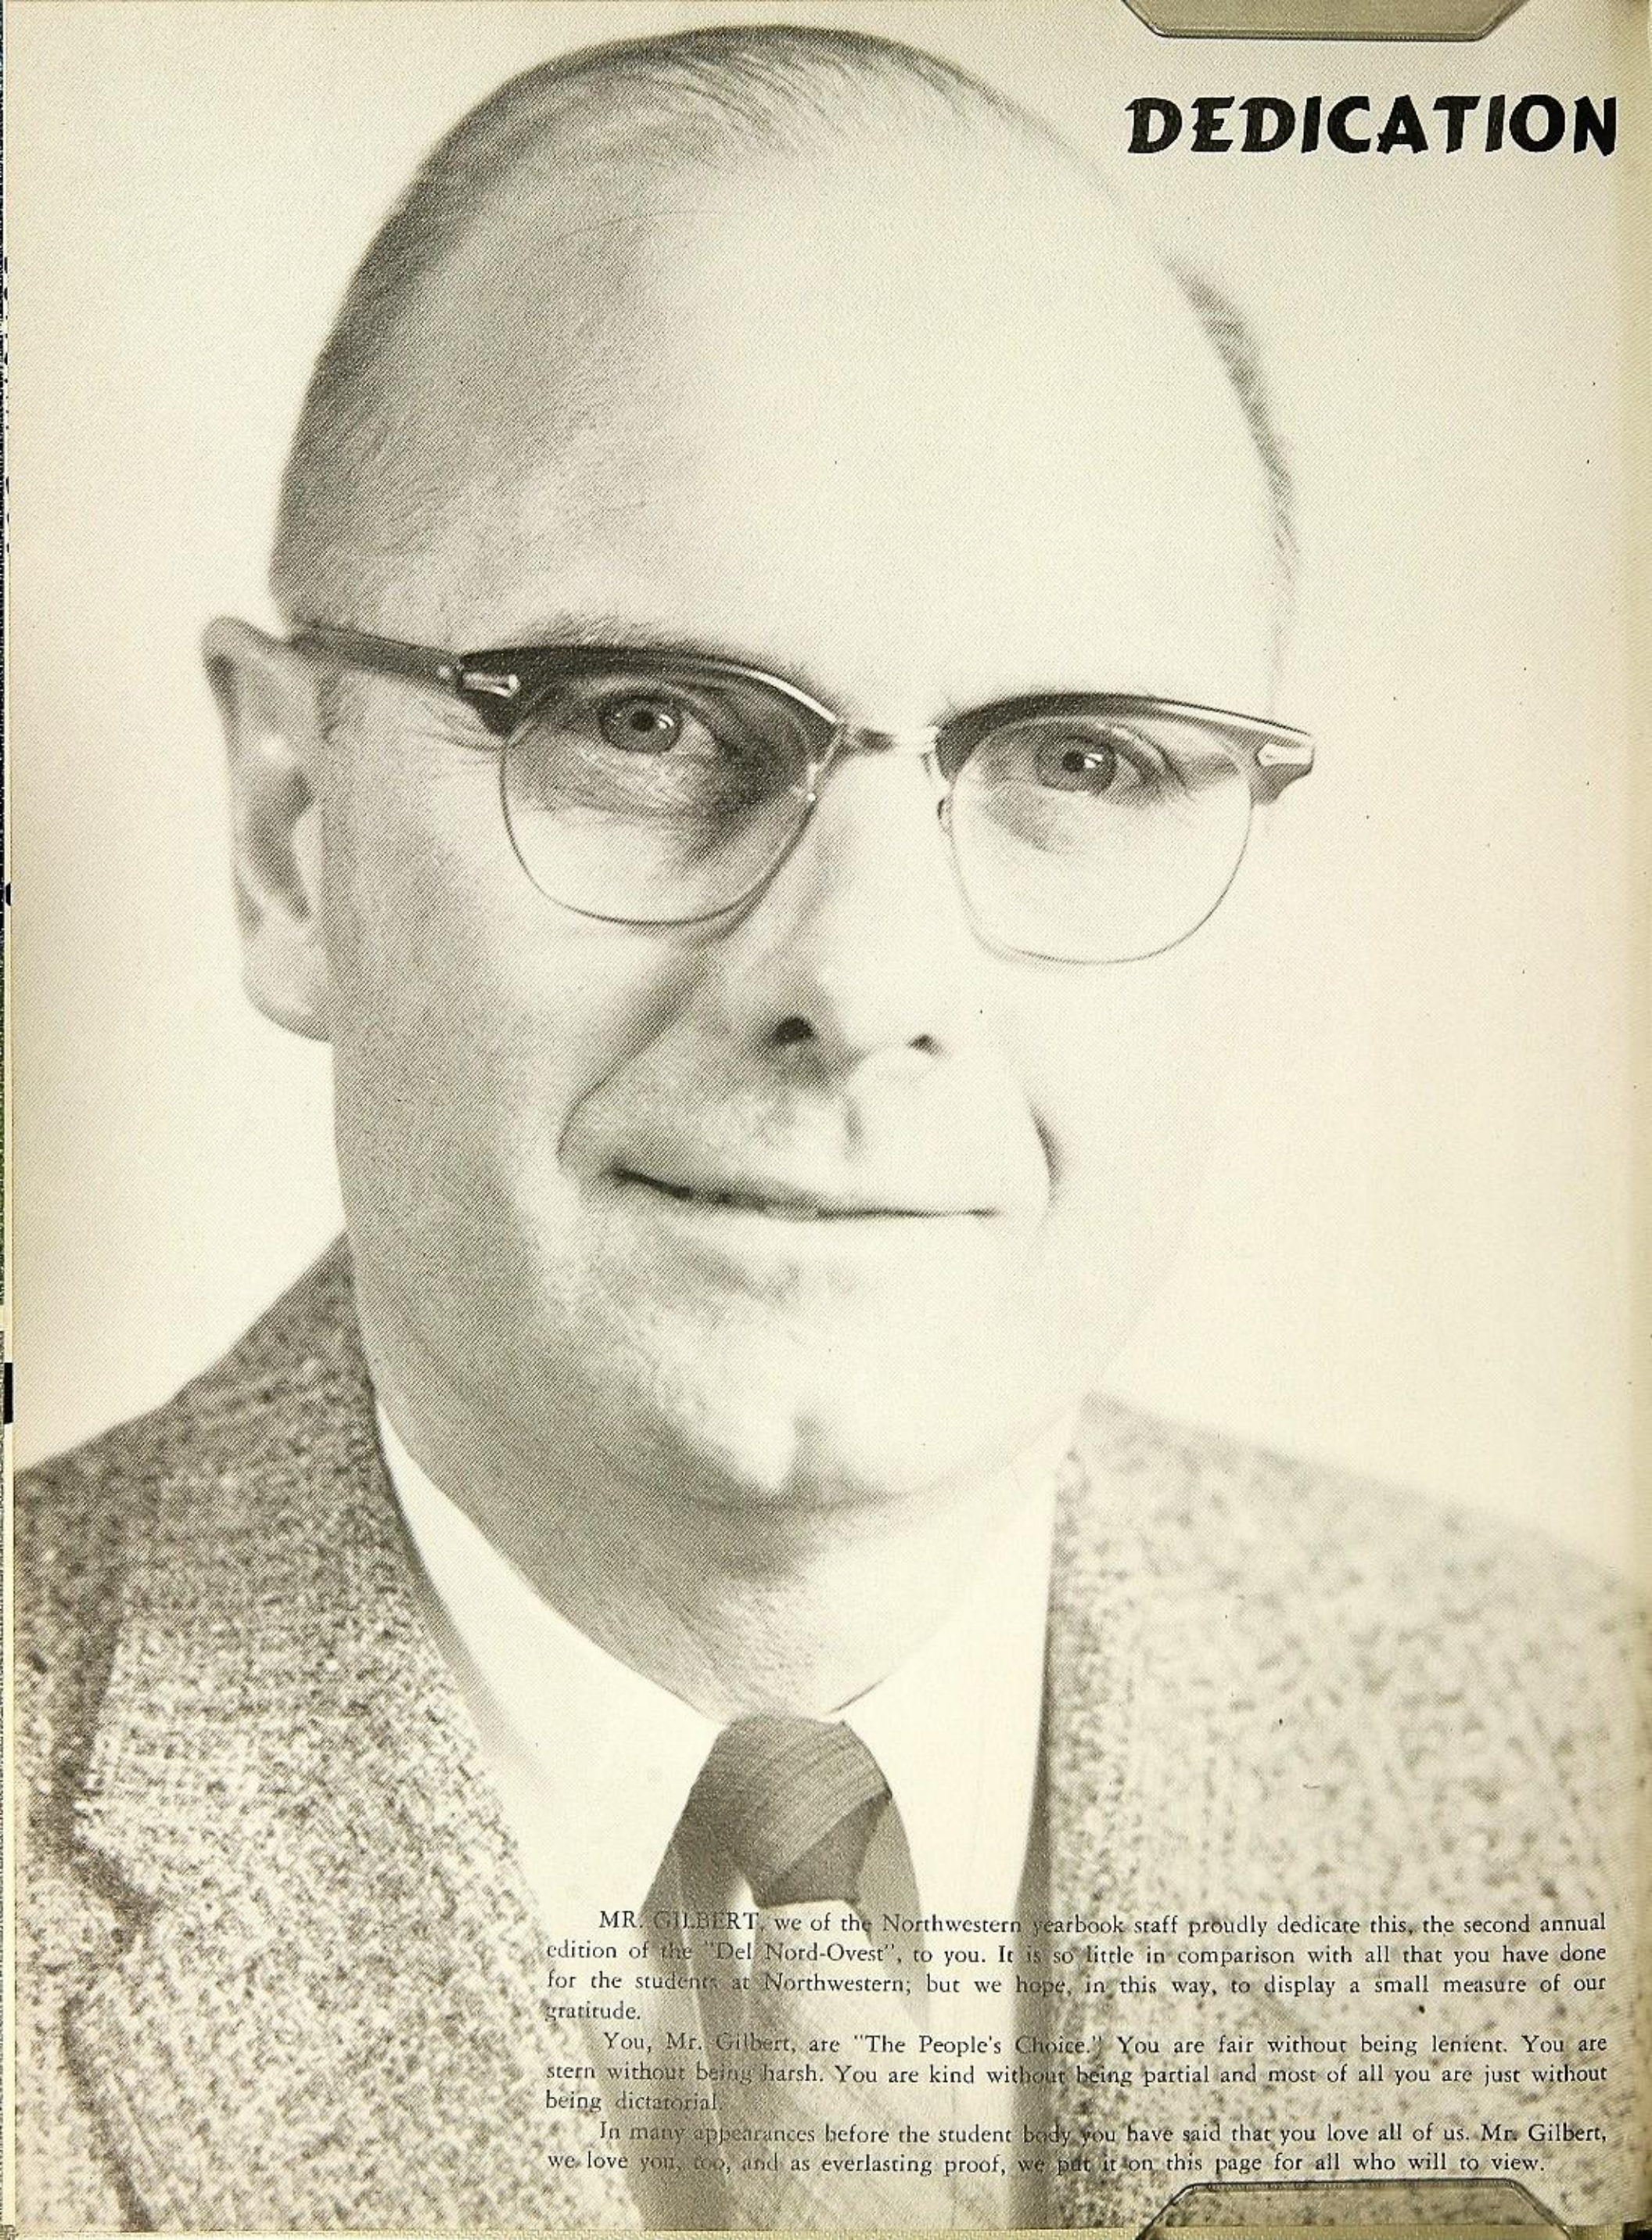
"WITH OUR HANDS WE WILL MOLD THE FUTURE."

DEL NORD-OVEST

DEDICATION



MR. GILBERT, we of the Northwestern yearbook staff proudly dedicate this, the second annual edition of the "Del Nord-Ovest", to you. It is so little in comparison with all that you have done for the students at Northwestern; but we hope, in this way, to display a small measure of our gratitude.

You, Mr. Gilbert, are "The People's Choice." You are fair without being lenient. You are stern without being harsh. You are kind without being partial and most of all you are just without being dictatorial.

In many appearances before the student body you have said that you love all of us. Mr. Gilbert, we love you, too, and as everlasting proof, we put it on this page for all who will to view.

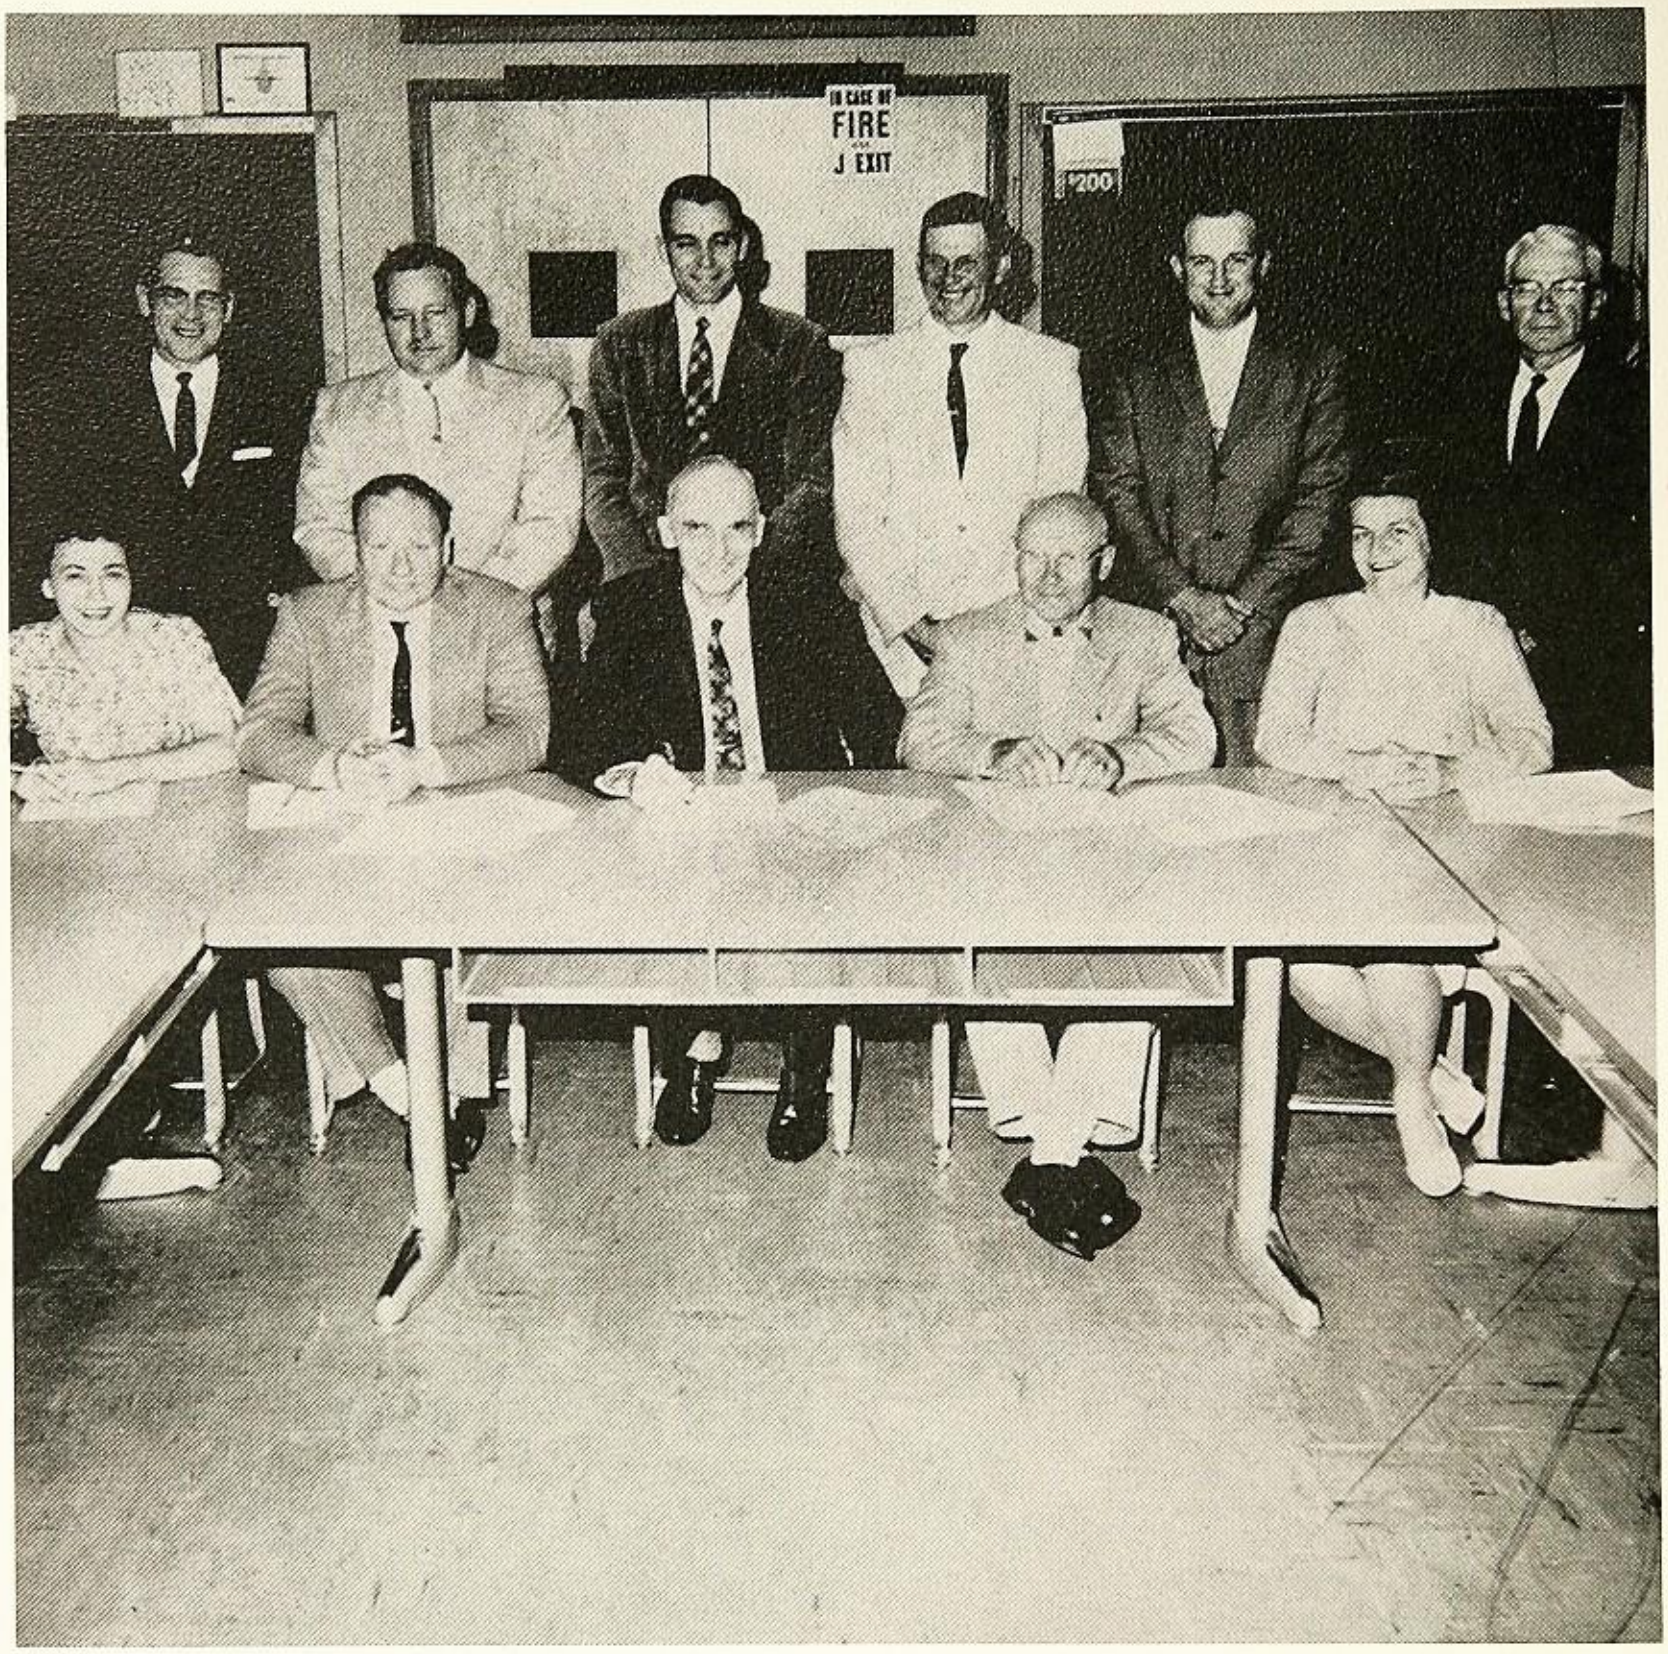
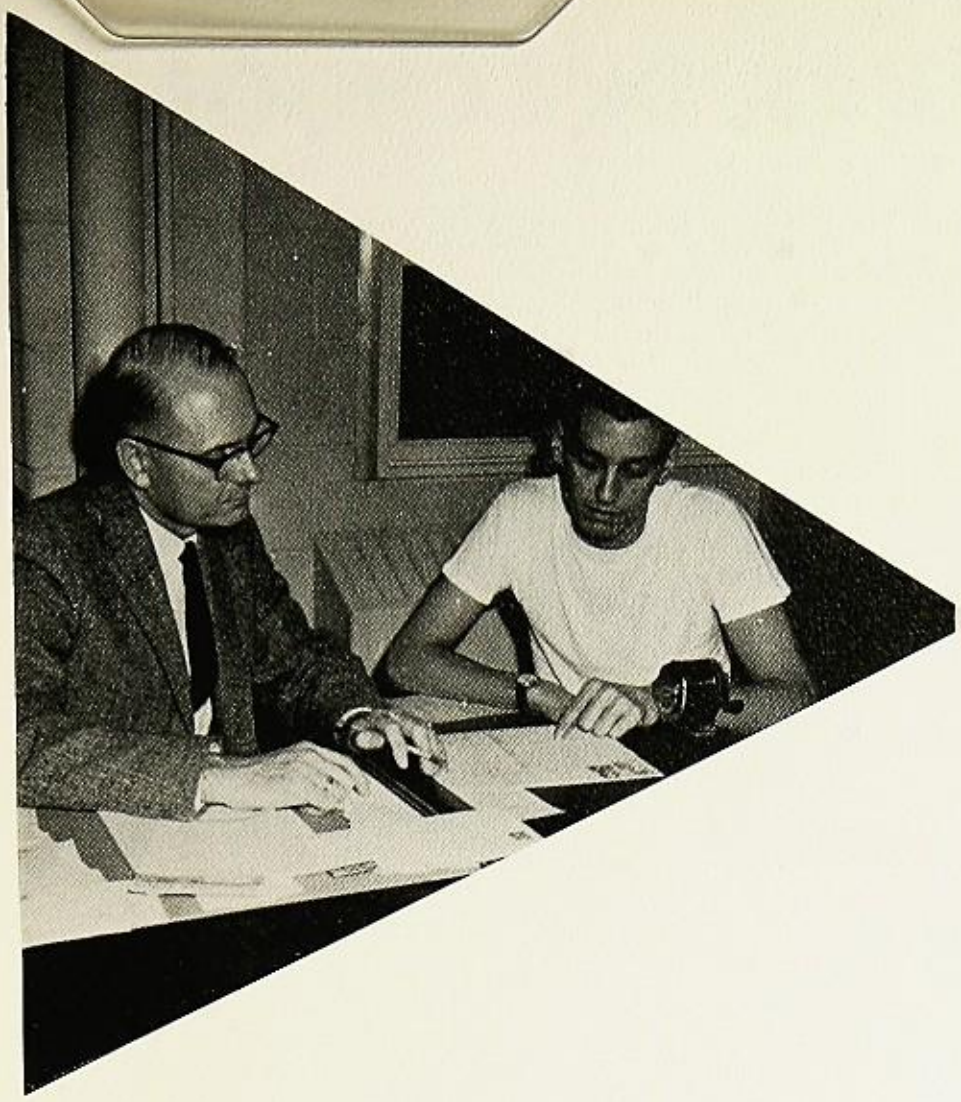
SCHOOL BOARD



The problems of a newly consolidated school are many and varied. Northwestern's School Board, under the able direction of President Ernest Kennedy, coped successfully with our problems throughout the year. The parents, teachers and students of this district are deeply indebted to them. We wish to extend our sincere thanks for a job well done.



Dear Friends, Class of 1960:

Your teachers at Northwestern join me in a note of appreciation to you for the cooperation and achievement. It has been stimulating to us to work with you and to have been a small part in your educational efforts. We know that you will not remember many of the little details of learning. On the other hand, we are certain that you can never forget the many friends and personalities you have encountered during your high school days.

If we have made you an eager, consistent learner; if we have caused you to be just a little more humble and considerate; if we have created a desire in you to become effective, loyal citizens; if we have shown you that reason and charity are more effective in getting things done than an arbitrary, uncompromising attitude; if we have instilled in you a desire to love and to serve your fellow-man as well as to achieve personal advantages — then we will have achieved our purpose.

"And now abideth faith, hope, and charity, these three; but the greatest of these IS charity."

We wish for you and yours the best of everything.

Your Principal
Charles C. Gilbert

PRINCIPALS' MESSAGES

"The things taught in schools . . . are not an education, but the means of education."

Ralph Waldo Emerson

Dear Friends of the graduating class of 1960:

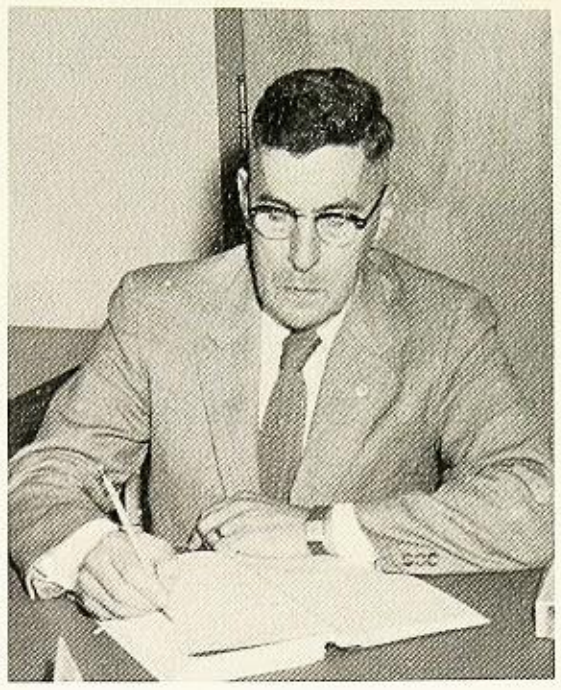
Emerson, in his wisdom, points out that 1960 is for you truly a "commencement," and not an end of learning. If you know all the world's knowledge of today and learn no more, you will be ignorant in the complex world of 2000 A.D. We at Northwestern know that you are a great class; we challenge you to continue to grow in understanding and character. This world of 1960 desperately needs your leadership and service for the cause of humanity if the Northwestern class of 2000 is to graduate to a better world than ours of today.

Please come back to visit your Alma Mater, Northwestern, in the years to come.

Supervising Principal,
Donald C. Thompson

PRINCIPAL FIGURES IN SCHOOL

DR. BROWN



MR. HUNTLEY

MRS. SHAEFFER

We recognize Dr. Brown as the Director of Curriculum.

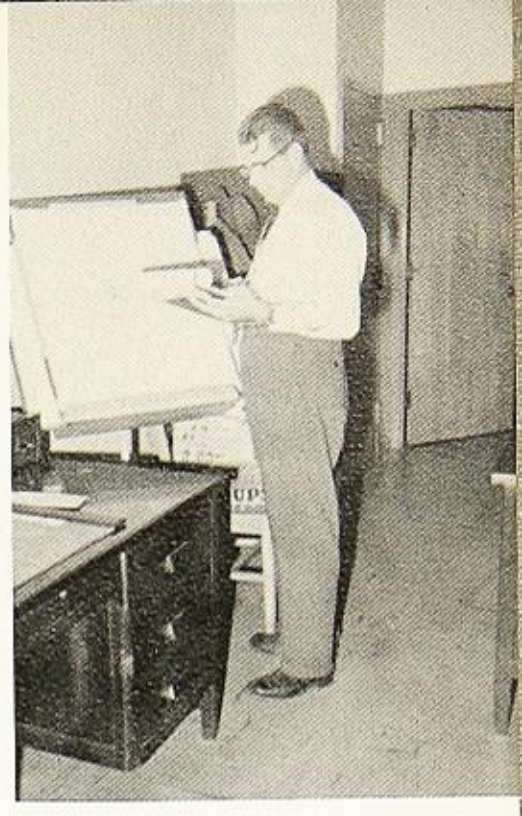
Mrs. Shaeffer as our school nurse.

Mr. Huntley is recognized as the Administrative Assistant.

Our office staff is often taken for granted because much of their work is done behind the scenes.

OFFICE WORKERS

BUS DRIVERS



MR. ROBERTS

Our bus drivers must be remembered for the faithful regularity in driving our long tedious bus routes for both school and extracurricular activities.

Good food is important to hungry students, and we thank our cafeteria ladies for providing us with plenty of hot nourishment through the cold winter days.

We thank all of you.

CHRISTMAS DANCE

King, R. Cassidy; *President,* Mrs J. Shearer; *Queen* S. Barton.

During the school year of 1959 - 1960 the Northwestern Parent Teacher Student Association programs were planned to bring a better understanding between the home and school in order to secure maximum benefits in physical, mental, social, and spiritual education.

Some of the activities of the year sponsored by the Northwestern P.T.S.A. were:

Prize winning centennial float — "Jackson's Crossroads Schoolhouse."

Welcome breakfast for area teachers.

Serving of the Alumni Banquet.

Sponsoring of the annual Christmas Dance for the faculty, families, and students.

Presentation of a trophy at the Junior High Holiday Tournament.

Third annual Prom to Dawn.

Open house and departmental displays.

Presentation of the P.T.S.A. Scholarship.

The Northwestern P.T.S.A. wishes to thank everyone for his co-operation throughout the year and to tell you we were very proud to have the opportunity to serve the school and the students. We truly enjoyed it.

The P.T.S.A. extends sincere congratulations to each and every graduate of the class of 1960.

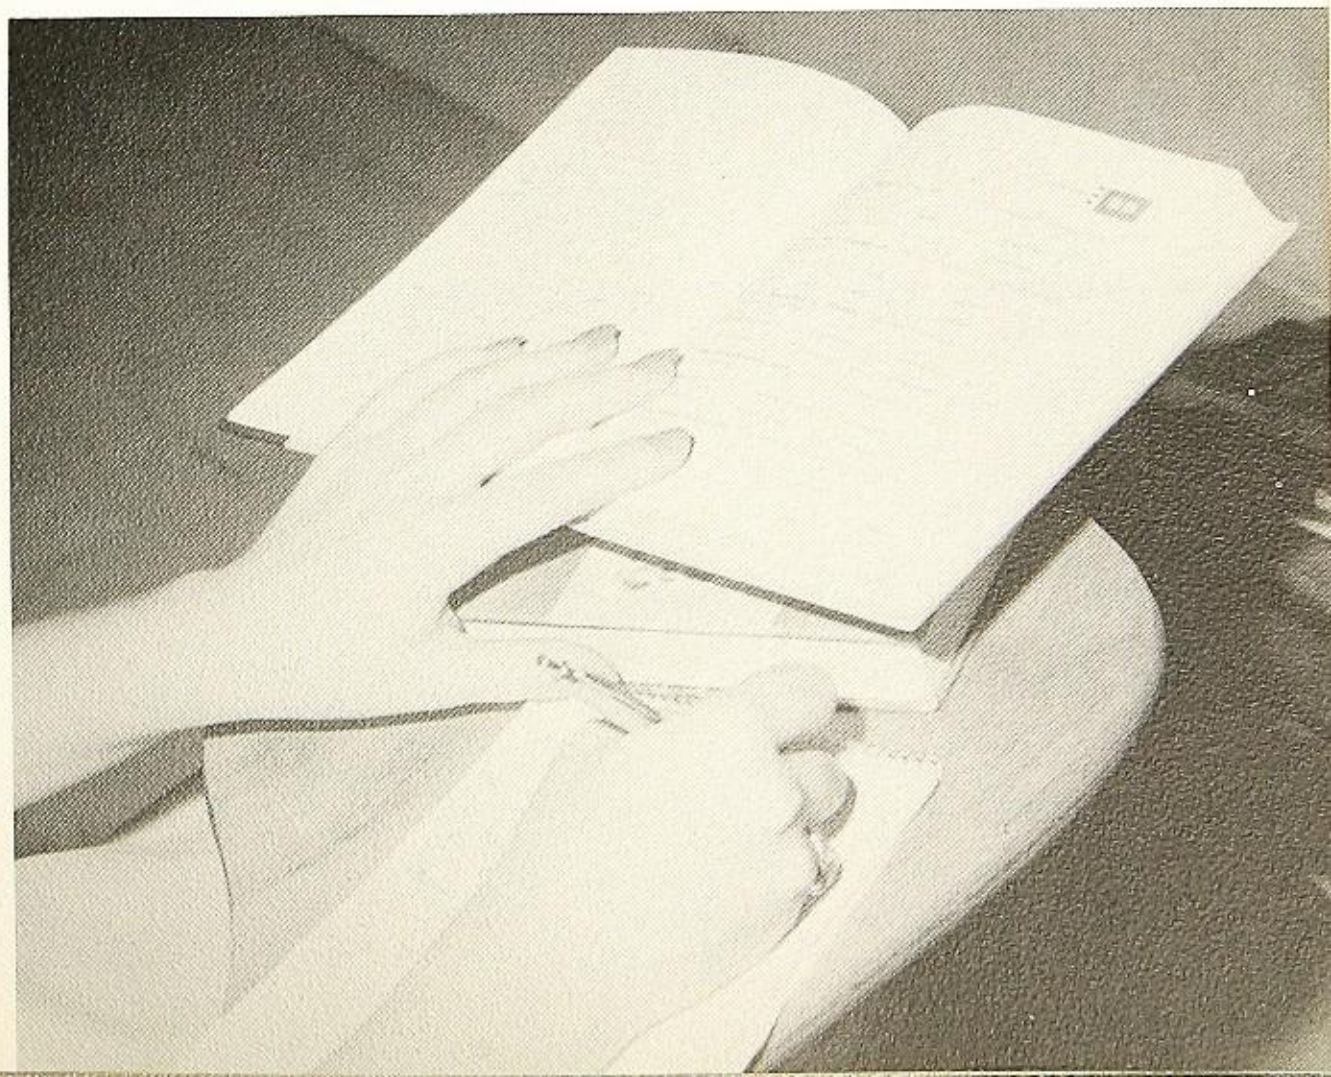
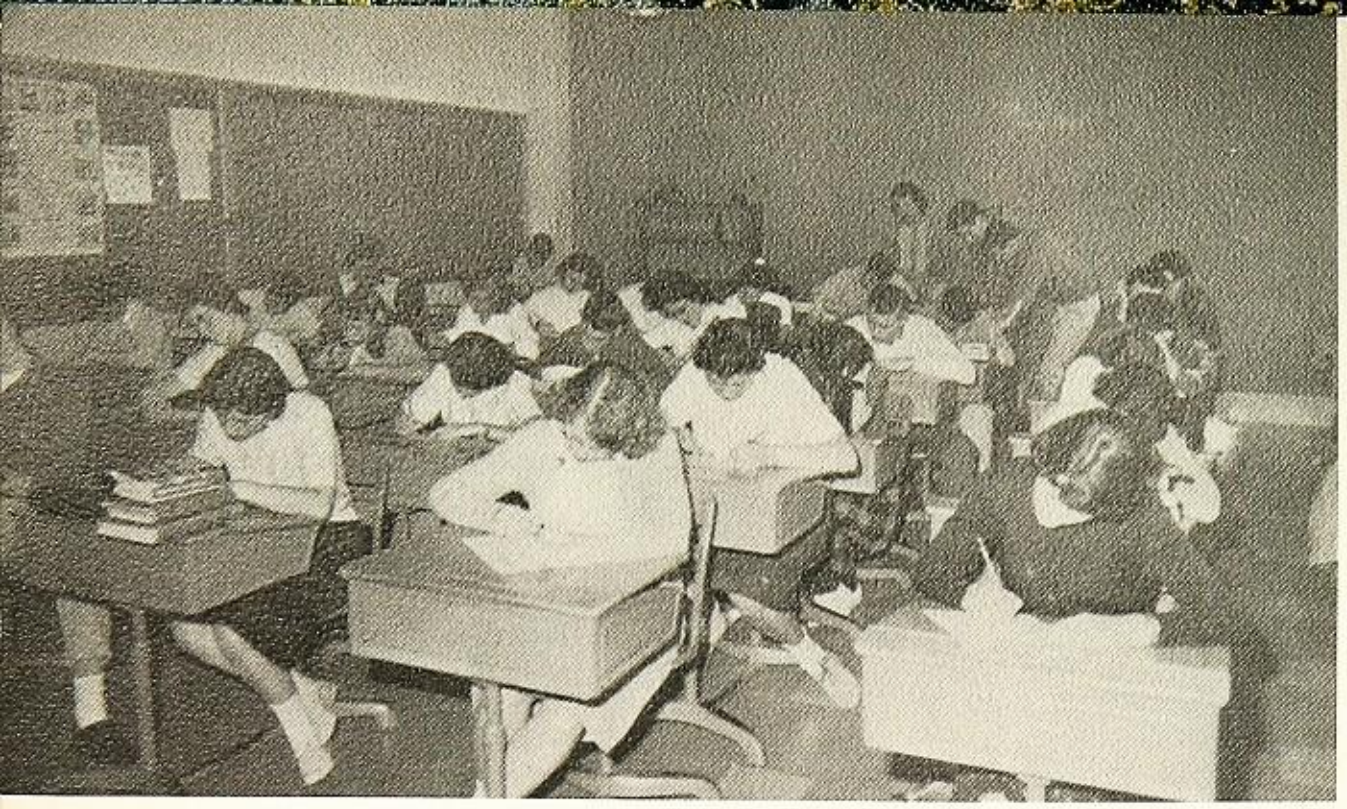
Classes





COLLEGE ENGLISH

I

A course for students planning higher education, College English stresses composition and literature. The students are given a review of grammar before beginning to do composition.

COLLEGE ENGLISH

II

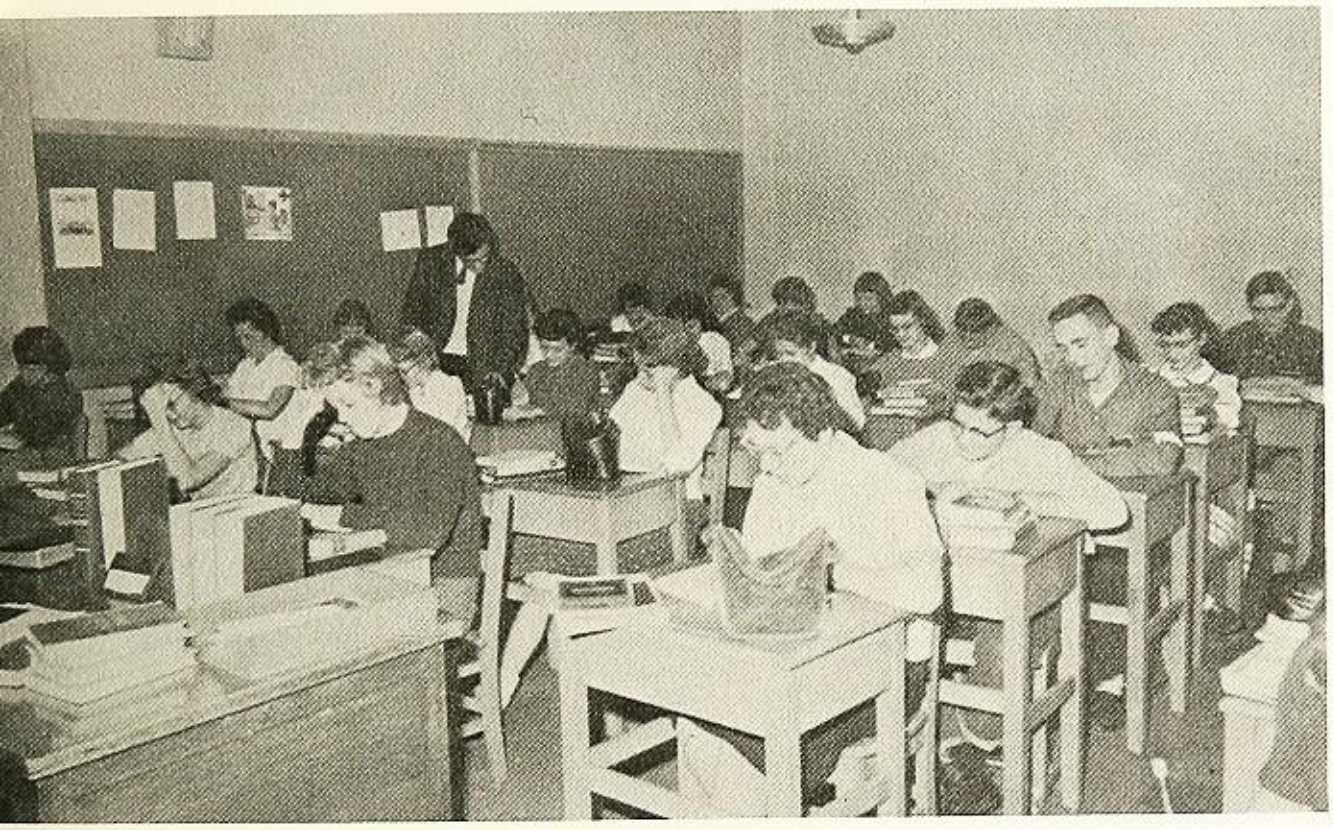
A continuation of College English I, this course is more intensified. The students in this class will attend college next year and find that they have an advantage over students who have not had this course.

LATIN I

This course begins to give a basis on which students can build a knowledge of any or all of the Romance languages. Everyday phrases learned in Latin make the course more interesting.

LATIN II

An extension of Latin I, this course is required for full credit in both courses. More vocabulary and greater usage are taught.

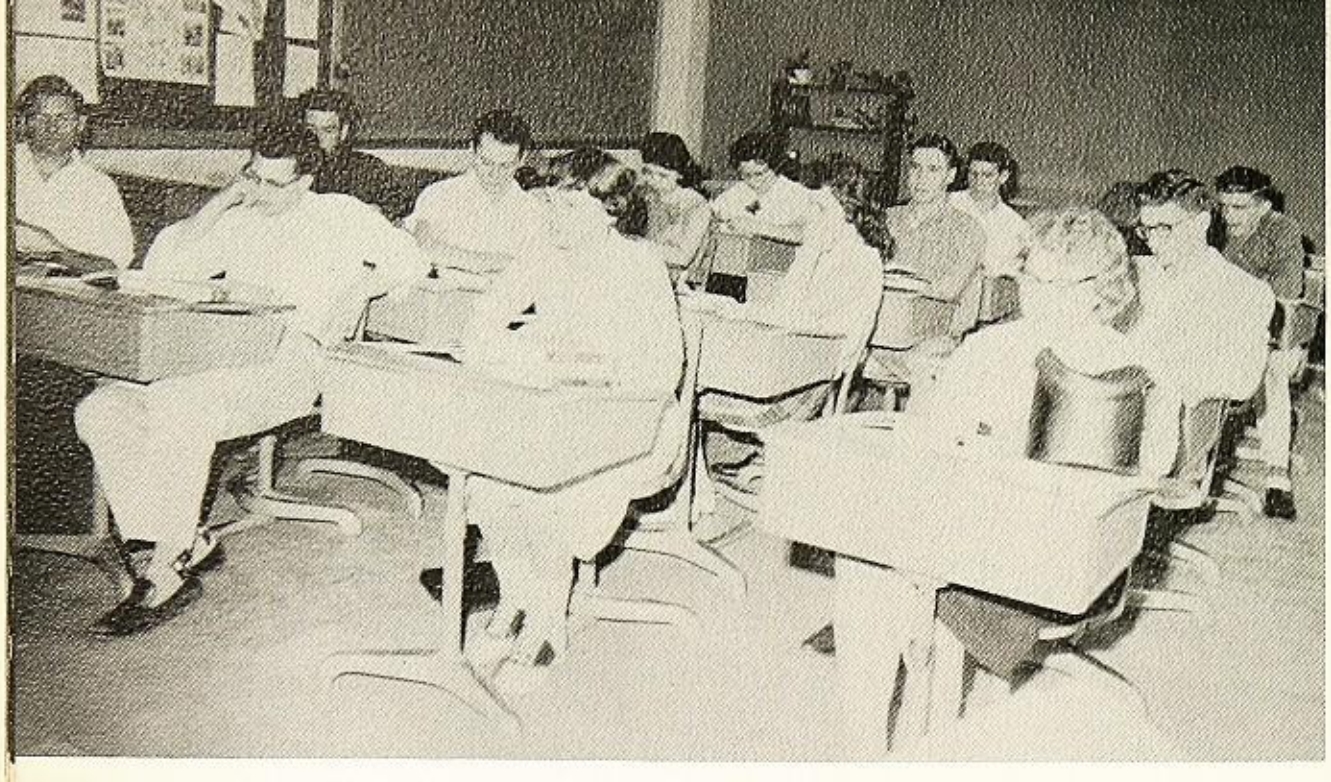


FRENCH I

A modern language for college-going students, French I introduces students to the basics of the language. The course also helps extend the English vocabularies of many.

FRENCH II

More intensified than French I; this course prepares students for college French. More vocabulary and everyday phrases are learned.



SENIOR ENGLISH

Final touches were put on grammar in Senior English. An introduction to literature was most interesting.

JUNIOR ENGLISH

Grammar usage and intensified spelling were the main features of Junior English. Literature was included in the course of study.

SOPHOMORE ENGLISH

In their first year of Senior High English, sophomores were introduced to more concentrated forms of grammar, usage, spelling and literature.

P.O.D.

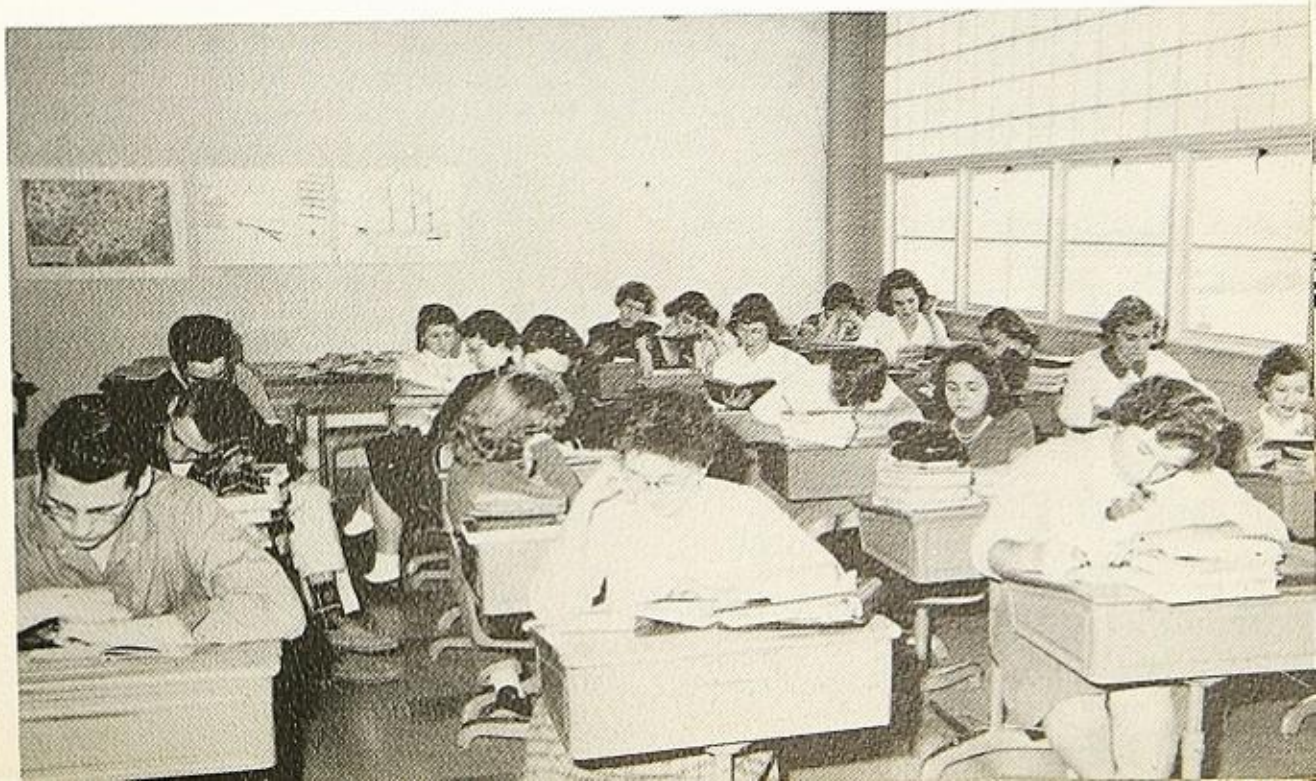
Seniors in P.O.D. studied various forms of government and the make-up of United Nations. The studies of sociology and family living also were of interest to the Seniors.

WORLD HISTORY

Juniors in World History studied the early civilizations from the ancient Egyptians to the modern day scientific peoples. Discussions on current events was another weekly feature.

AMERICAN HISTORY

In American History, the sophomore class followed the building of the United States from pre-colonial times to the latest amendments to our constitution. They also have weekly discussions on current events.

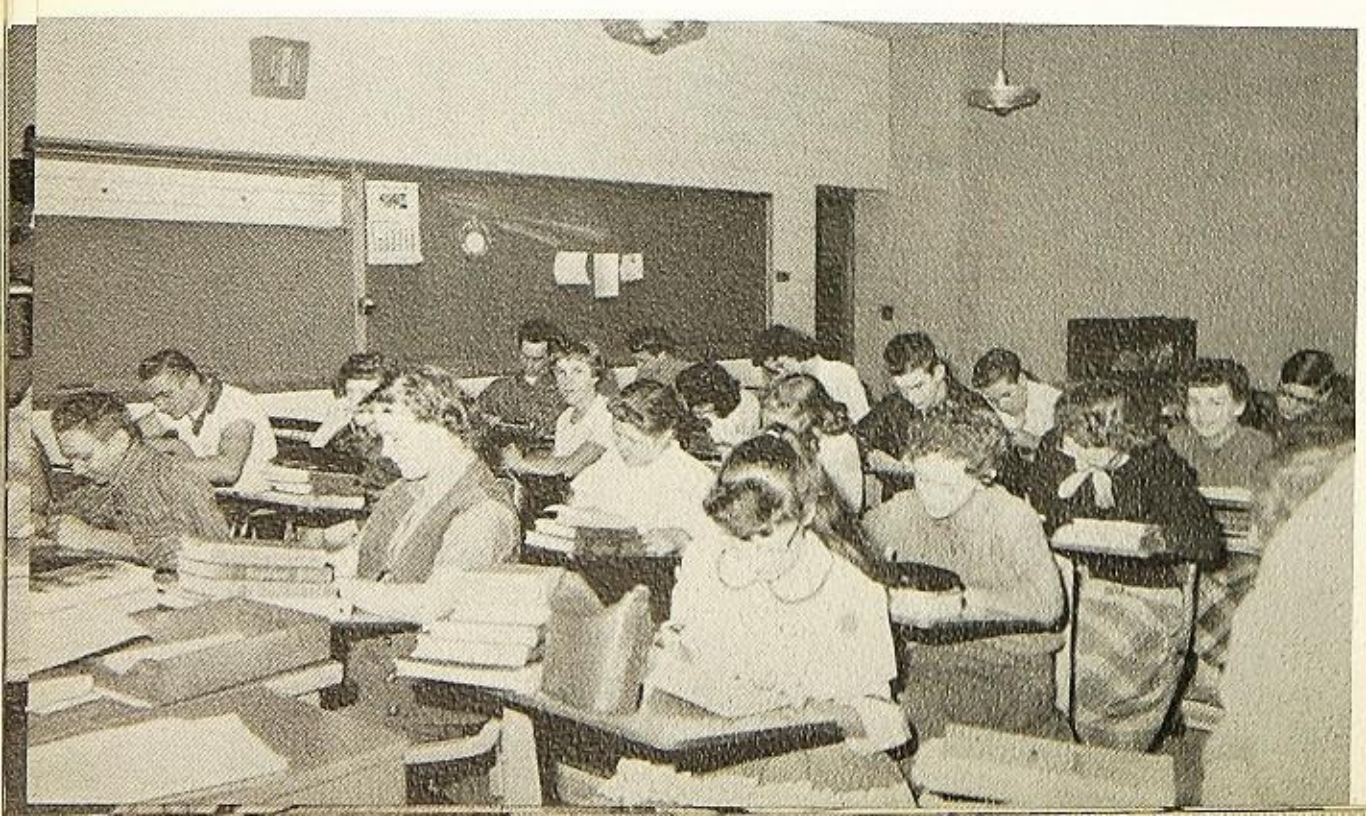


ALGEBRA I

Algebra I is the first math course given to academic students. It is very basic and lightly covers nearly all phases of algebra. This course is usually taken by Freshmen but some eighth graders are now enrolled in it.

ALGEBRA II

Algebra II is a course given to those students in the academic course. It is far more detailed and more difficult than Algebra I. This course is usually taken by Juniors.

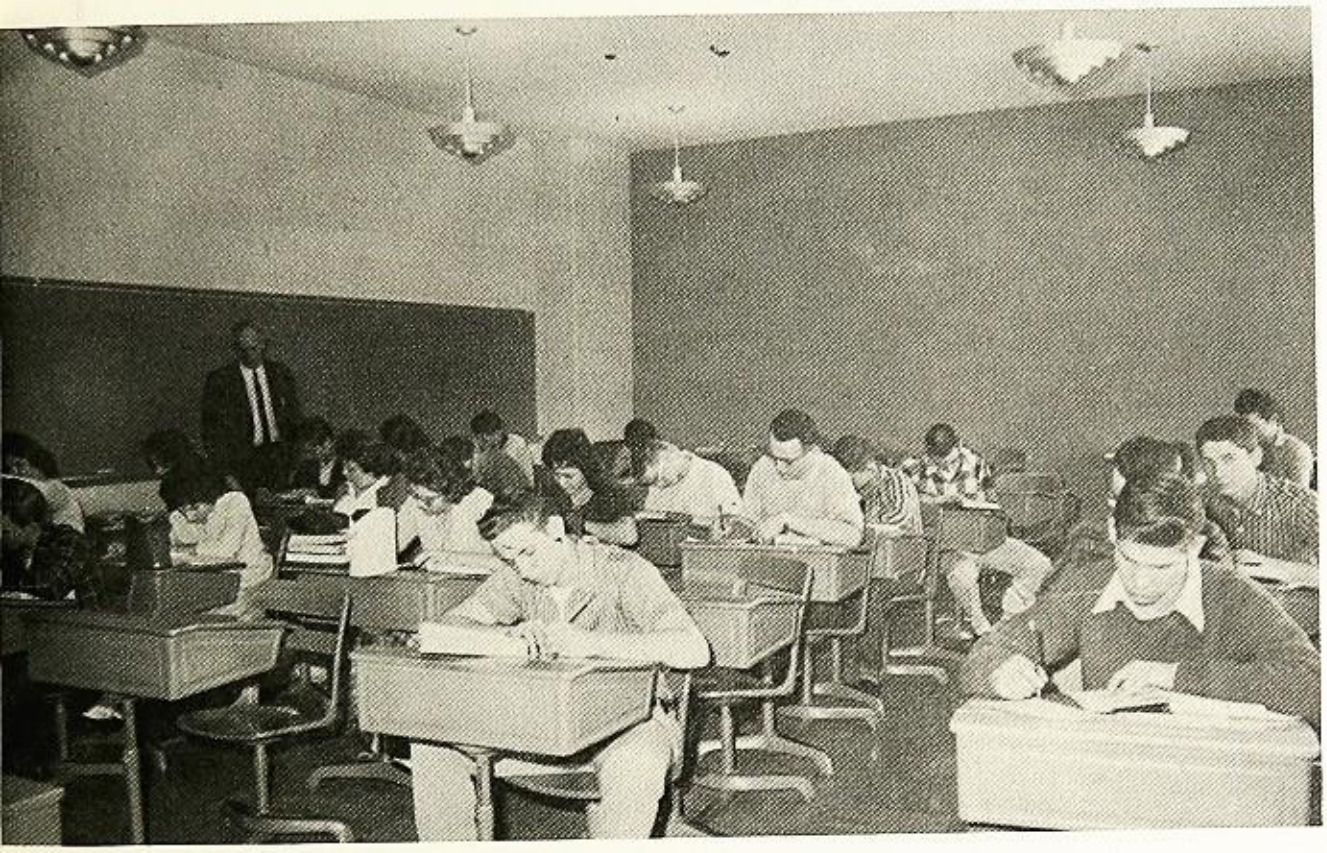


PLANE GEOMETRY

Plane Geometry is the study of two dimensional figures on a plane. It is the Sophomore section of the academic math course.

TRIG—SOLID

Solid Geometry, Trigonometry, and College Algebra are given to the seniors in the academic math course. The study of the slide rule is another feature of this almost exclusively male class.

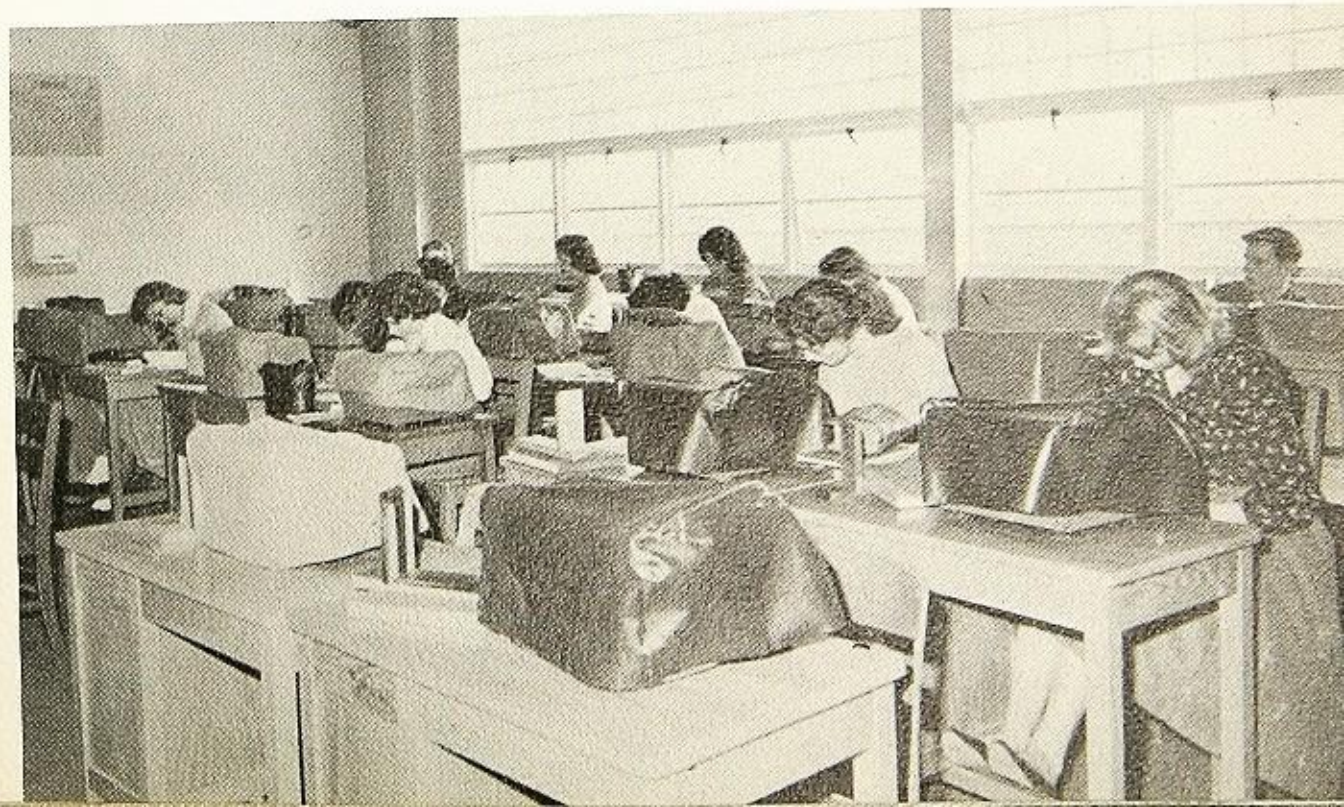


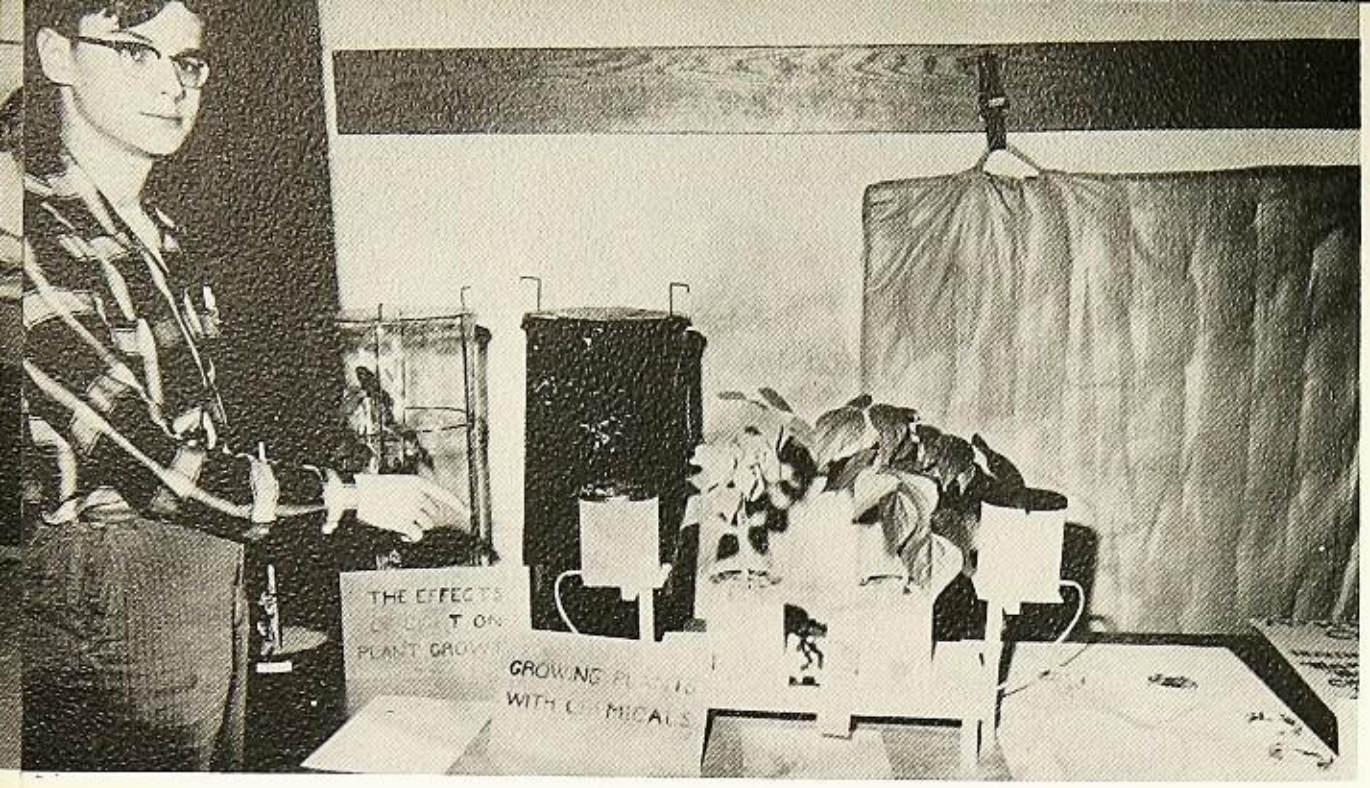
SENIOR MATH

Senior Math is a course taken by General students needing a math course to complete their credit requirements. It consists of the basic math used in everyday life.

BUSINESS MATH

Business Math is a course taken by commercial students. It is basically an extension of Bookkeeping and teaches the essentials of math needed in business.



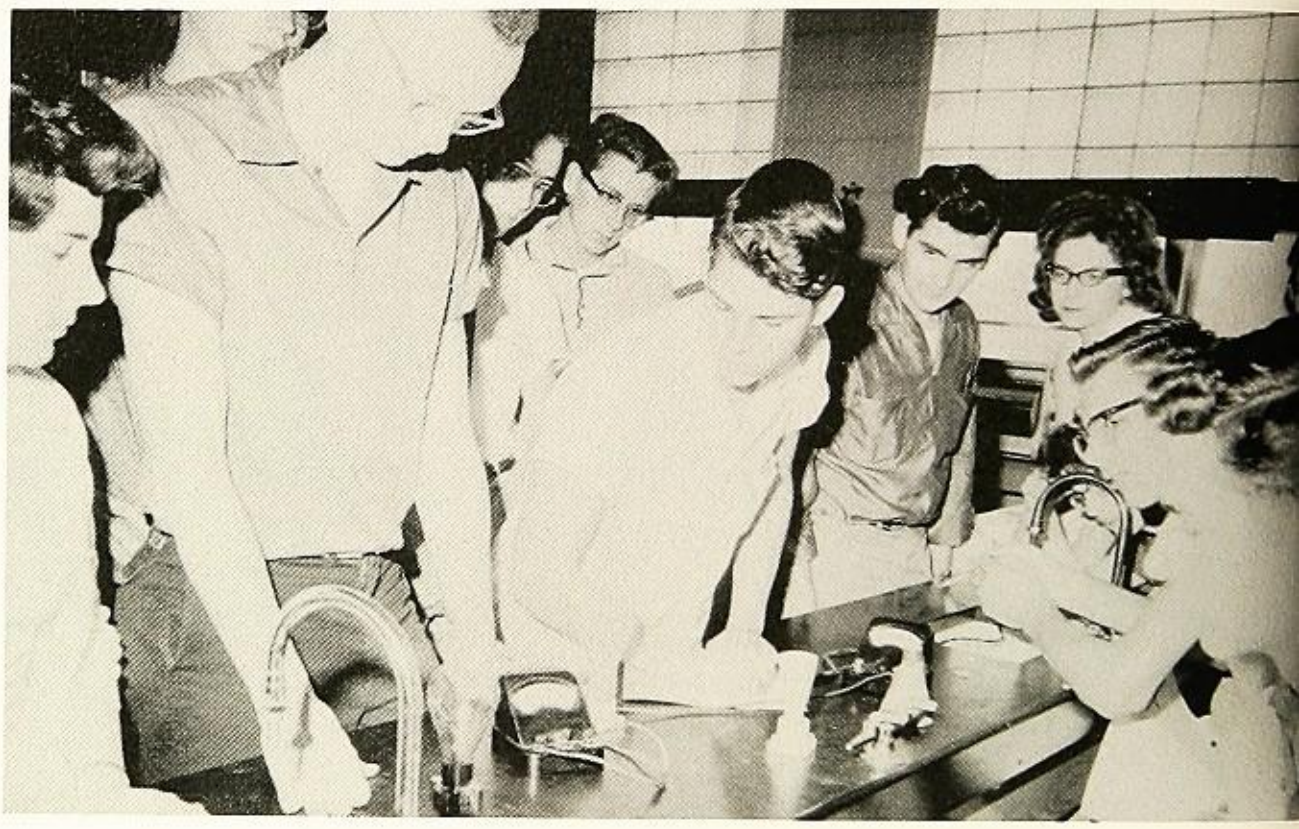


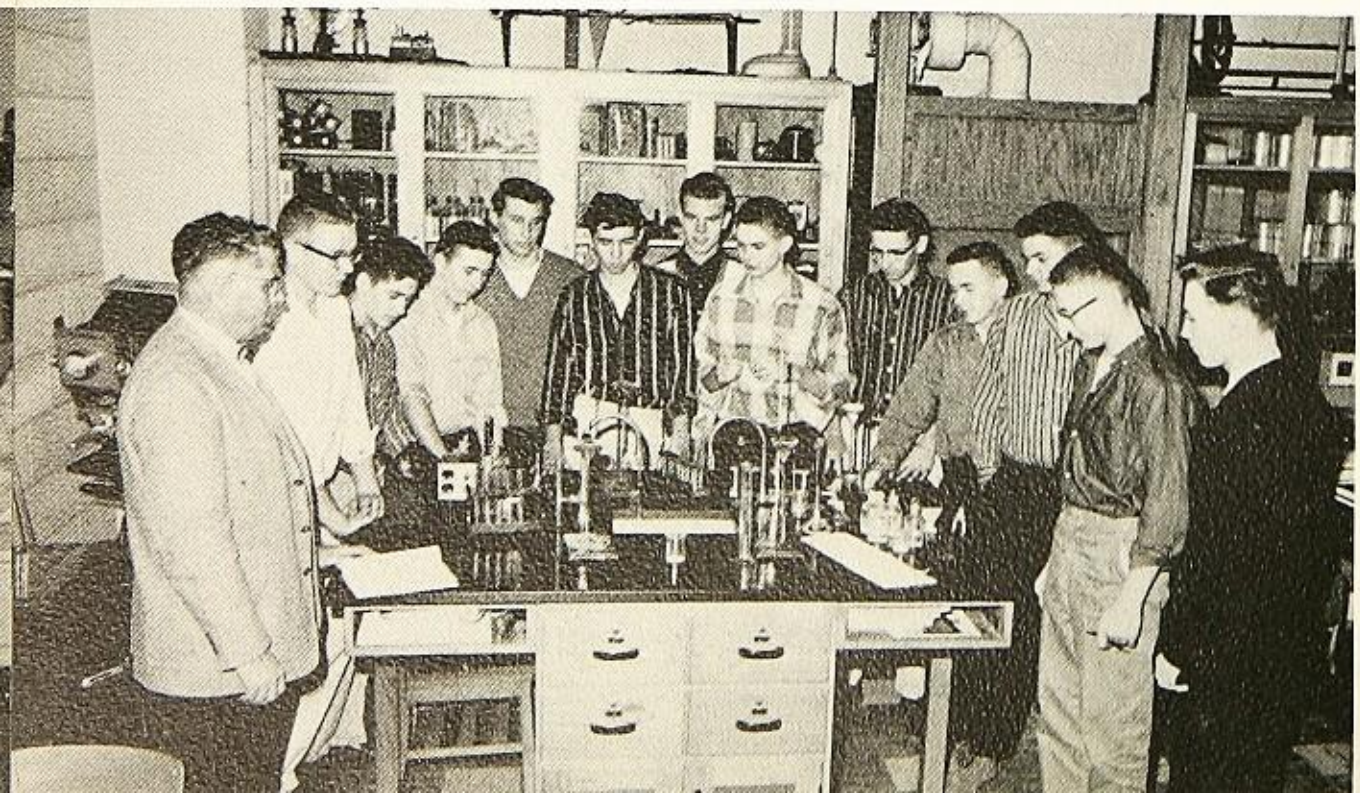
BIOLOGY

The study of animal and vegetable life is the purpose of biology. The course is usually for sophomores but some freshmen take the course as part of the new accelerated program.

PHYSICS I

Physics I is the study of the physical forces of the earth. Pulleys and levers and the like are studied. This course is part of the academic - scientific program.



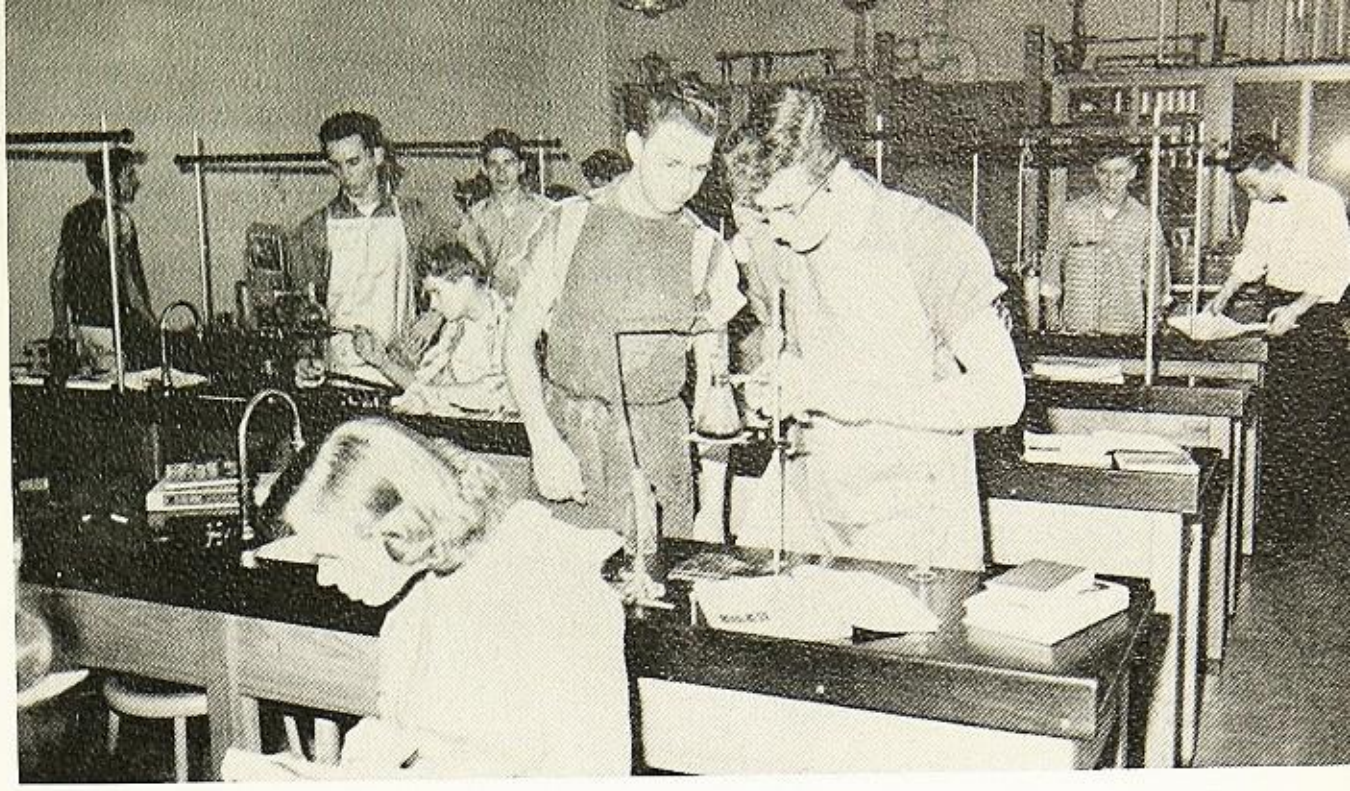


PHYSICS II

Physics II is taught along with some college chemistry and some qualitative analysis. This course is taught almost exclusively to college-going students.

CHEMISTRY

Chemistry is the study of the elements of the earth and their reactions alone and with each other. This course is taken by some sophomores and nearly all seniors.

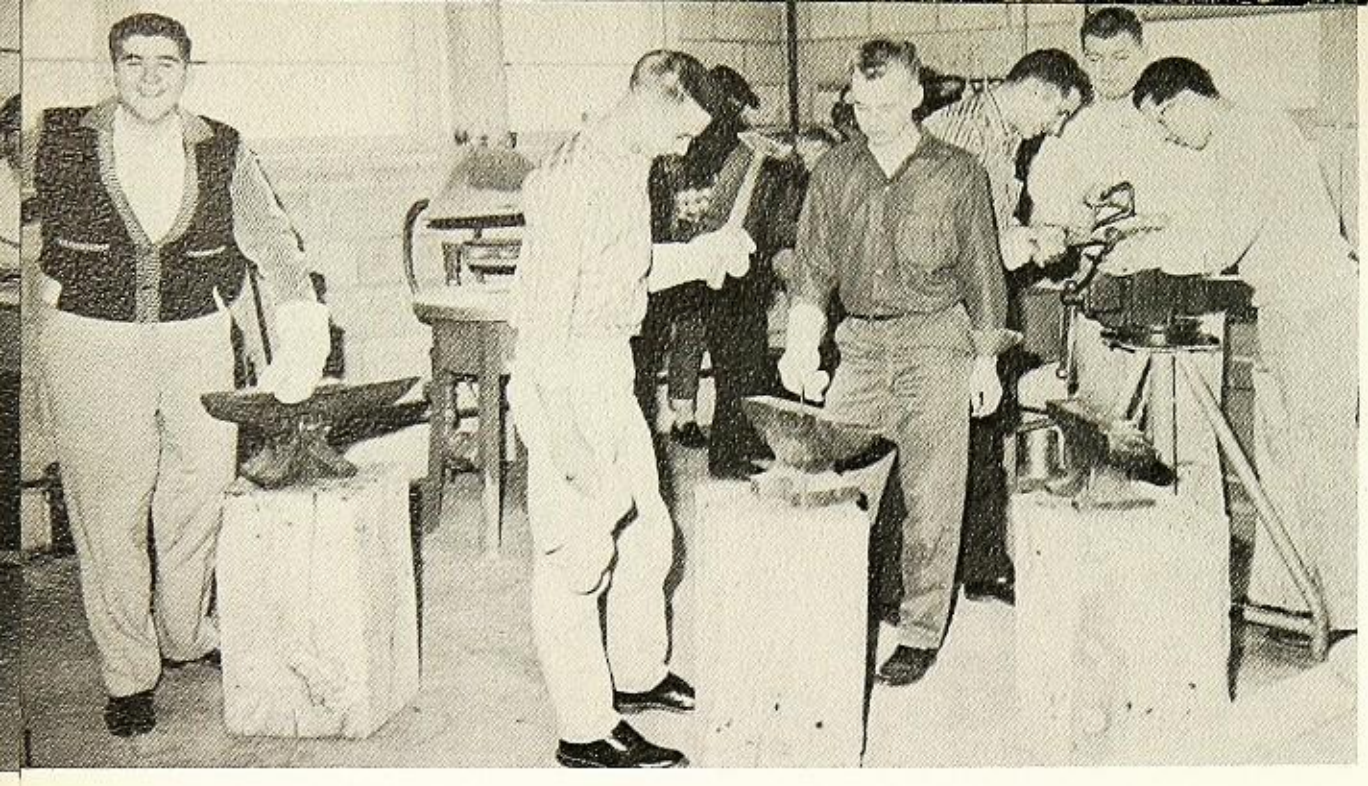


DRIVERS TRAINING

Driver Training is a course given to juniors to accustom them to the problems of modern day driving. They are taught the rules of safety and courteous conduct on the road.

DRIVERS TRAINING

Our Driver Training Car was given to us by Meyer's Chevrolet Dealer in Girard. This gives the student the practical part of the Driver Training he received in class.

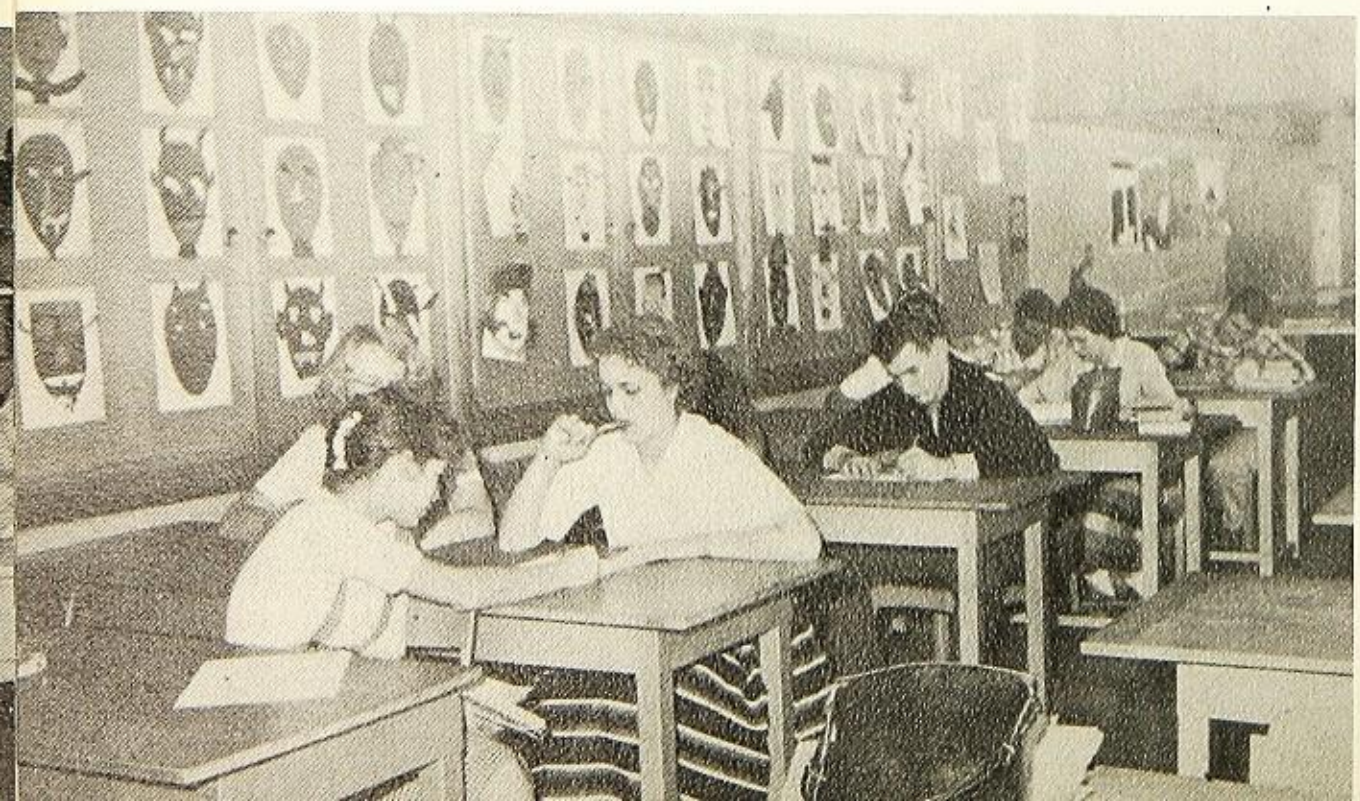


METAL SHOP

Metal Shop is a part of the Industrial Arts course. Welding is learned along with things that can be fashioned from metals.

WOOD SHOP

Wood Shop is another part of the Industrial Arts Course. Many pieces of furniture are made as well as learning the basic qualities of wood.

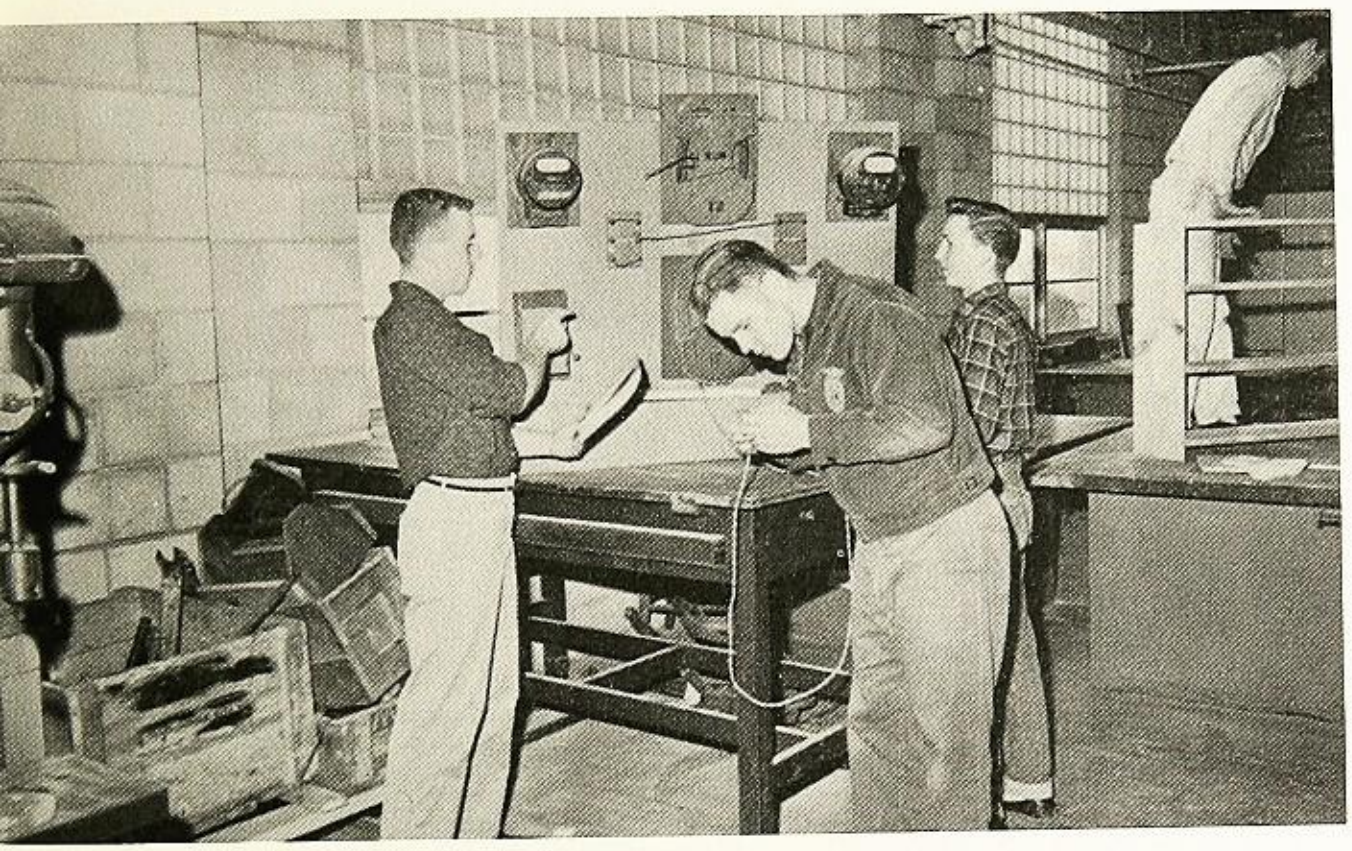


ART

The art course is an elective course that can be taken along with any course. All the phases of art are touched upon — carving, drawing, and painting.

VOCATIONAL AGRICULTURE

Vocational Agriculture is a course taken by those boys who want to go into farming or one of the related fields as a profession.

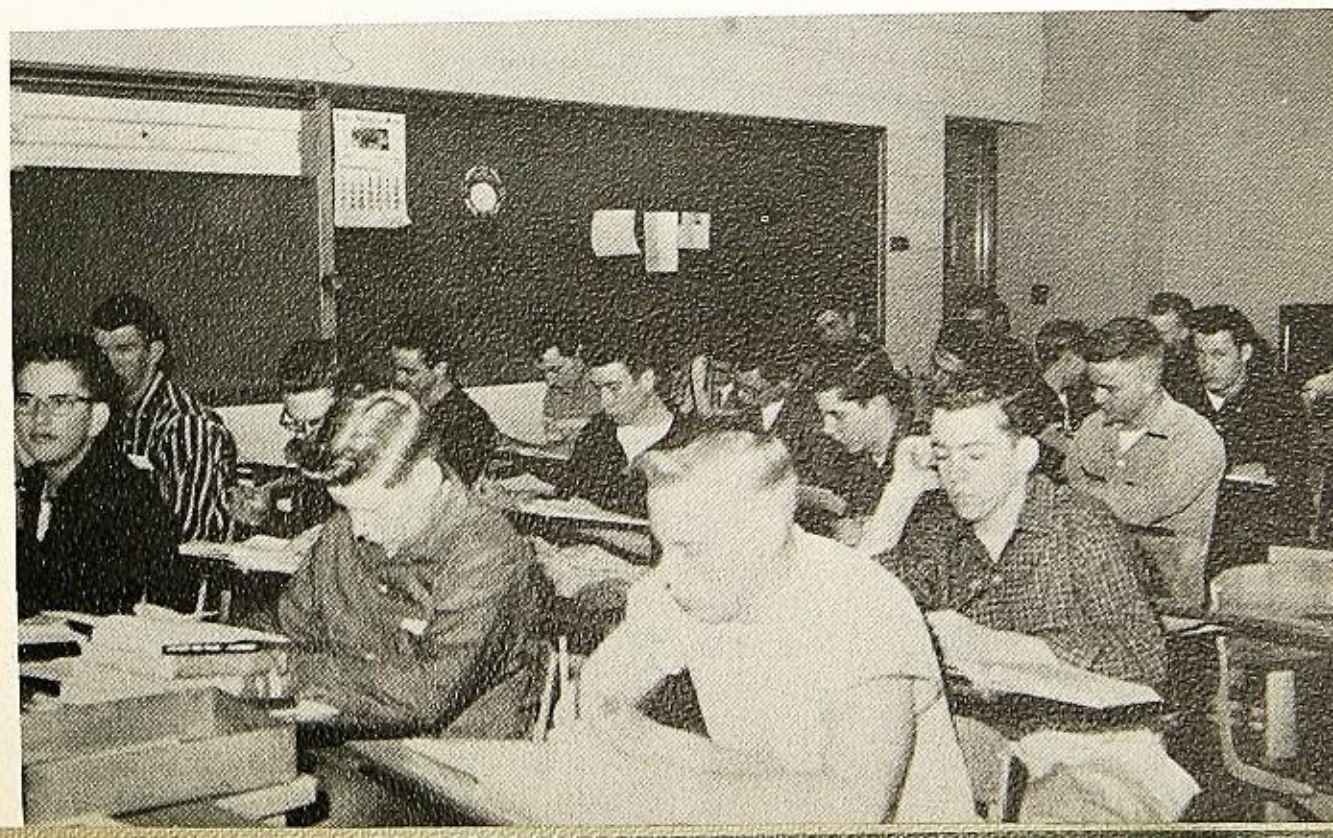


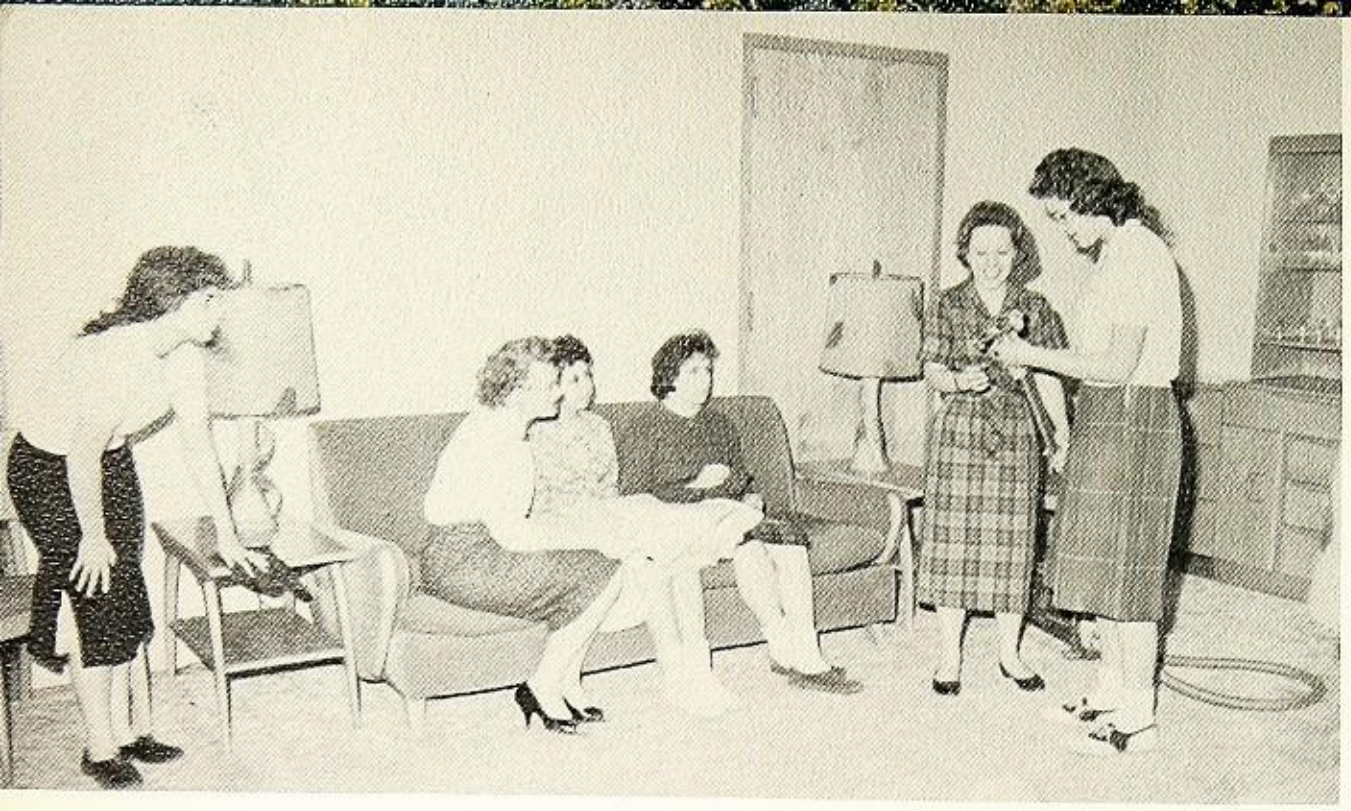
VOCATIONAL AGRICULTURE

Much practical work is done in Vocational Agriculture such as the projects the boys do each year. These may be done with livestock or vegetable growth.

BASIC MATH

Basic Math is a course taken by senior high students who want to learn the fundamentals of math for their own use.



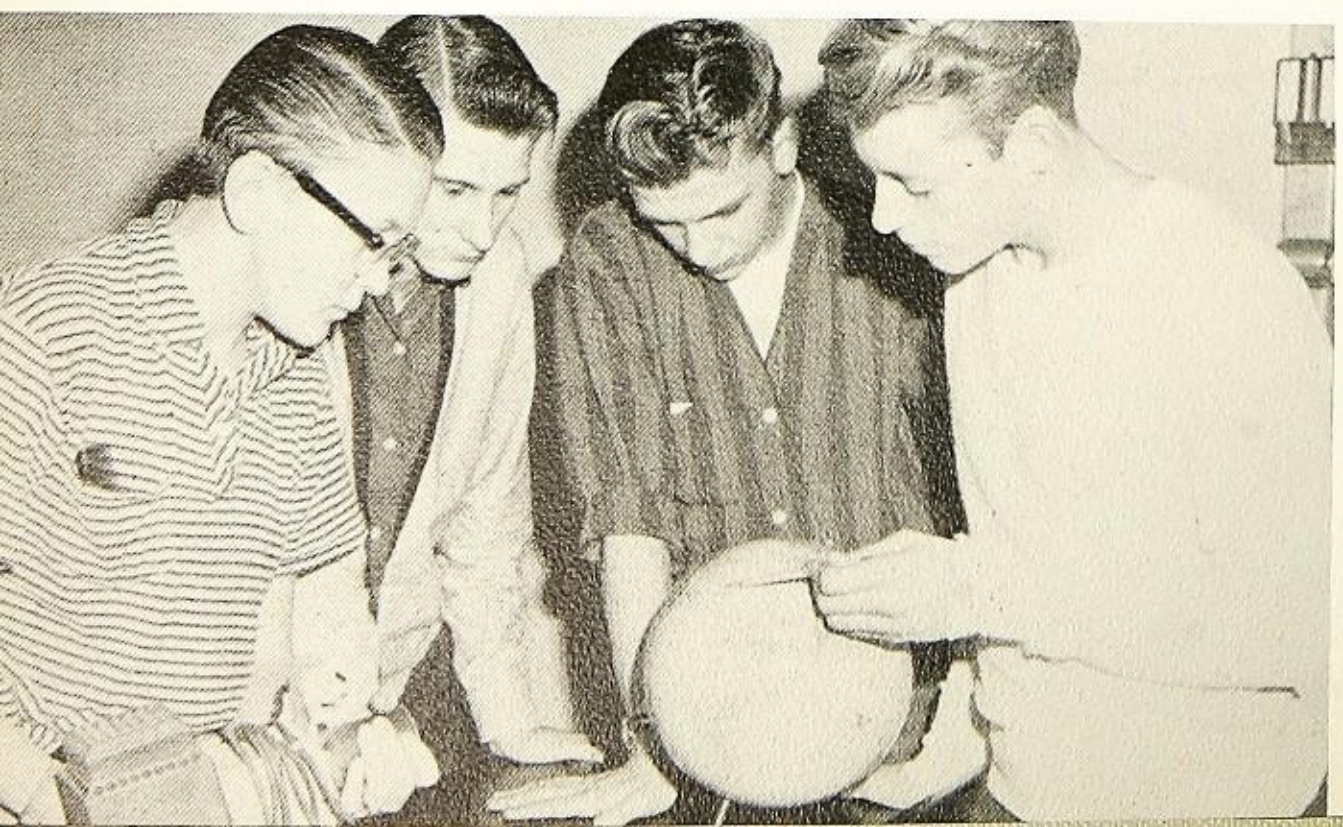


HOME ECONOMICS

In the home economics course the girls make preparations for their duties as a housewife. Some of the students also go on to be home economics teachers.

HOME ECONOMICS

Sewing and cooking are two of the most important phases of this course. Menu planning and the general running of a house are studied as well.

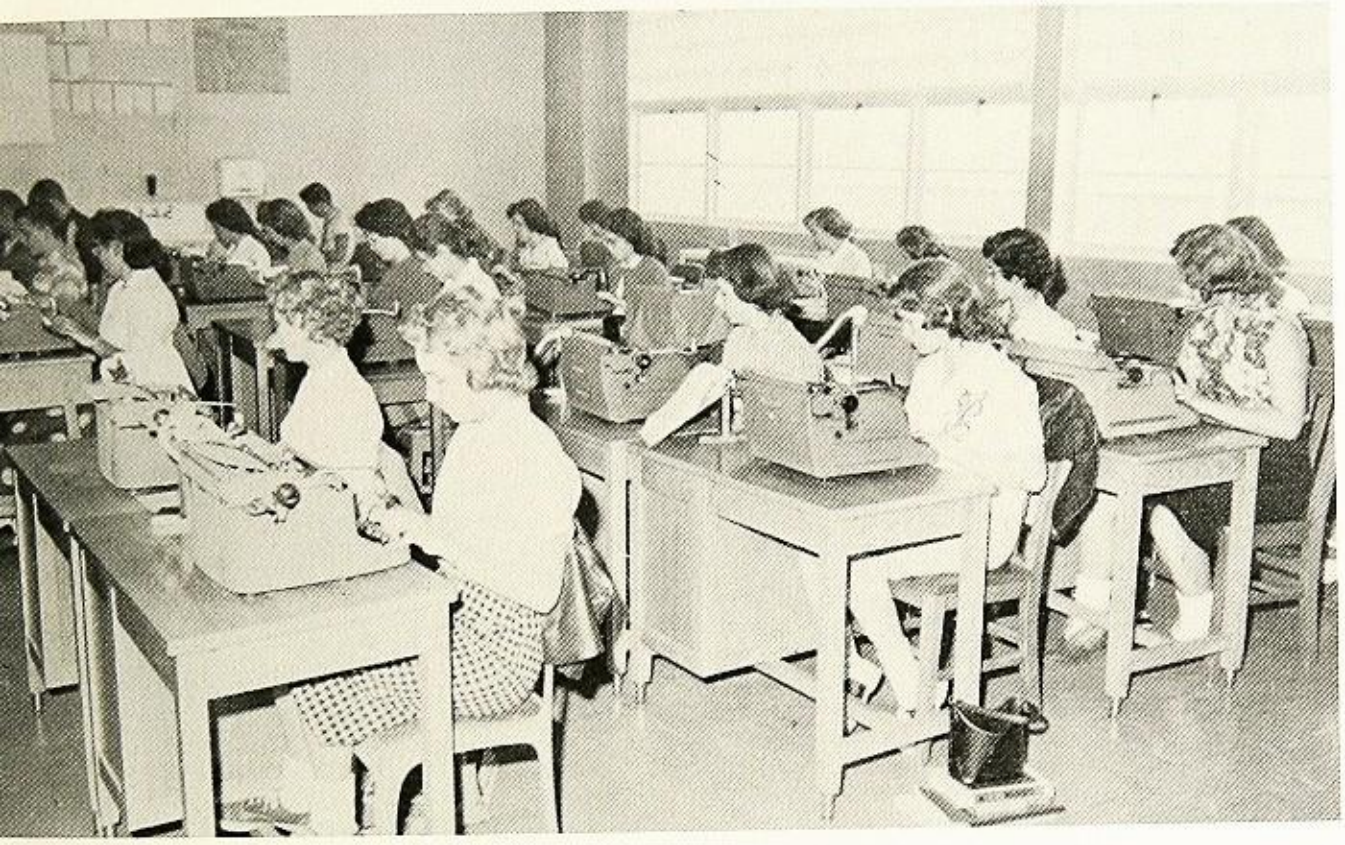


SENIOR SCIENCE

Senior science is a course taken by students who need a science to meet their science credit requirements. It is the study of the basic fundamentals of science.

OFFICE PRACTICE

Office practice is a course taken by commercial students. It puts into practice their previous training along with the study of some of the office machines.

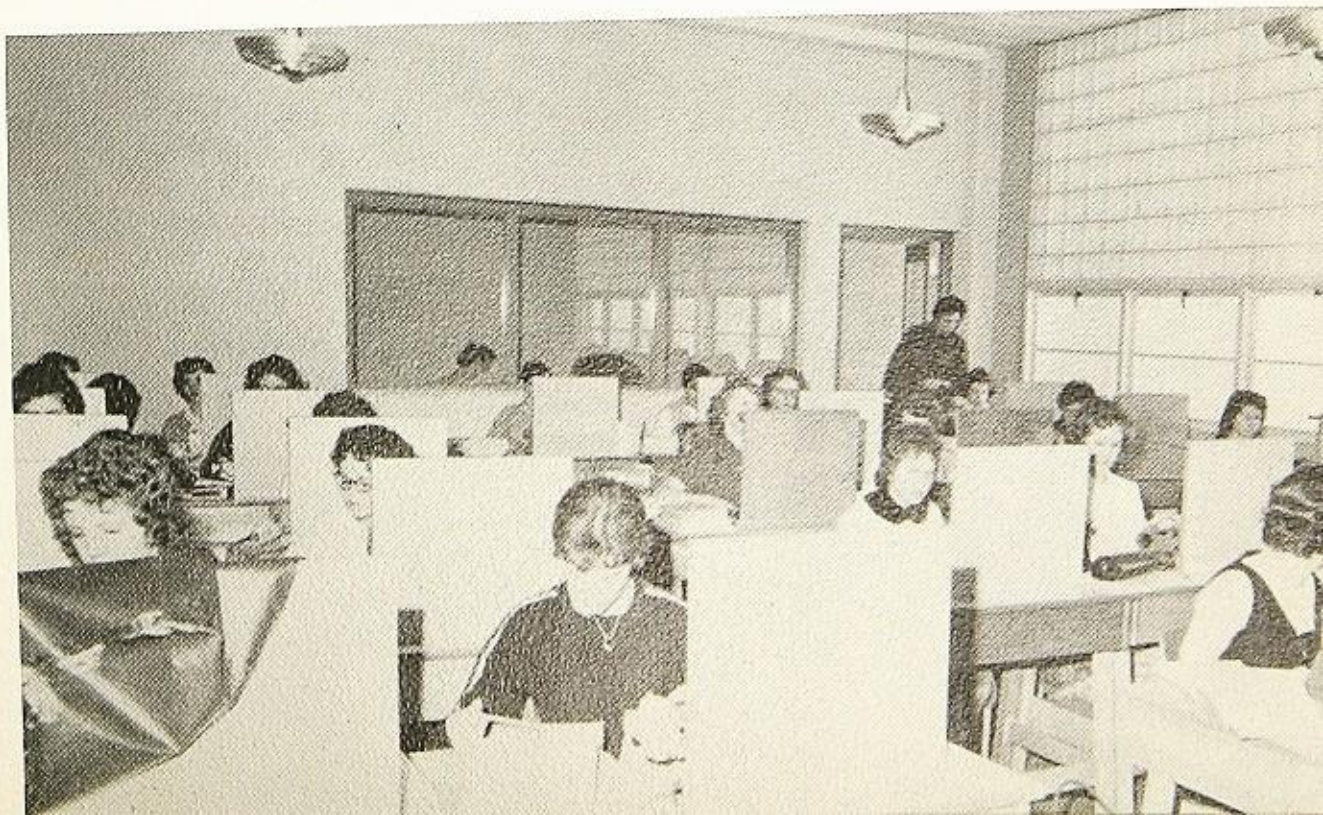


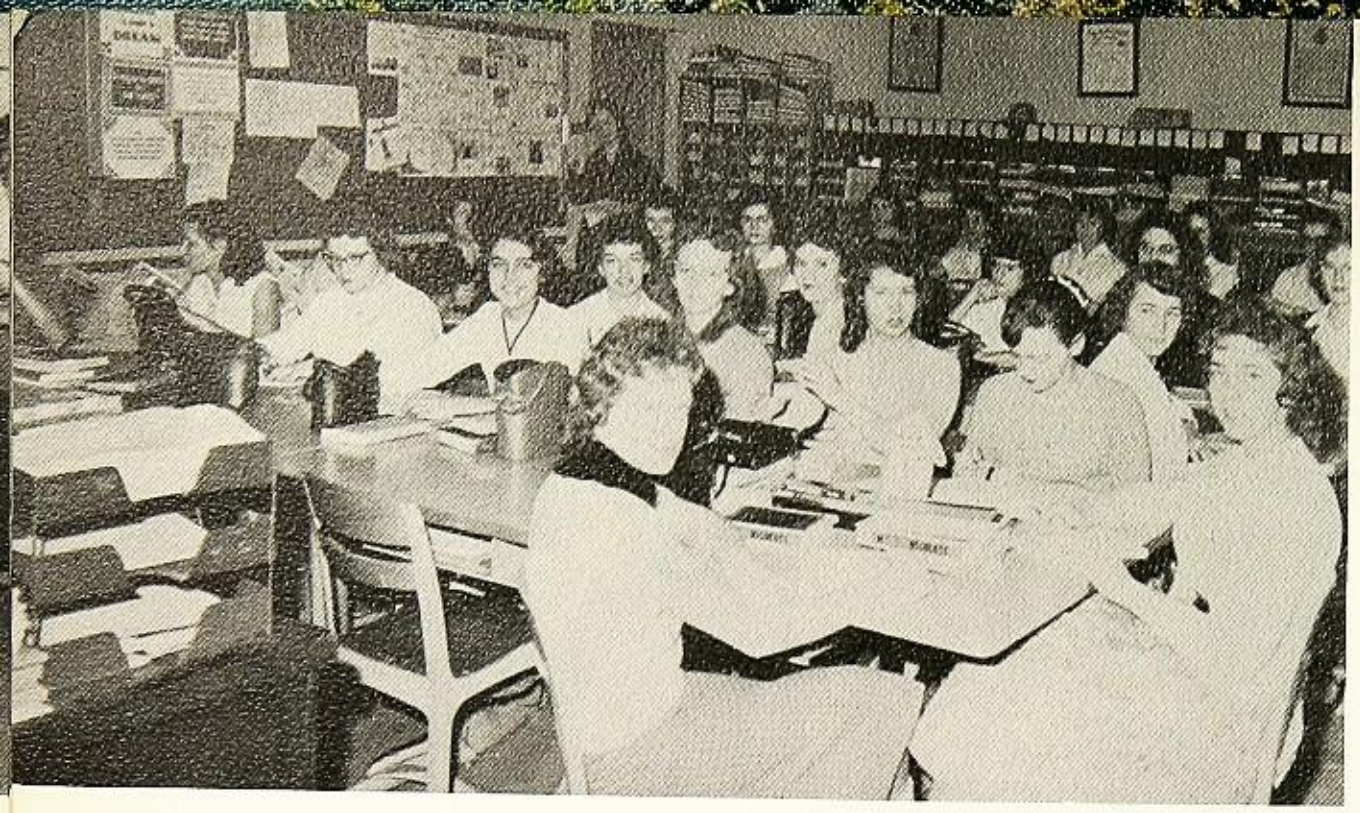
TYPING I

Typing I is one of the first courses given to commercial students. Many people take this course for personal use as well. All the fundamentals of the typewriter are learned.

TYPING II

Typing II is a course taken by commercial students. In this course they transcribe shorthand notes and type them for use.





SHORTHAND I

These are mostly Commercial students. These students learn the fundamental strokes.

SHORTHAND II

The Shorthand 2 students gain the practical knowledge of the Gregg System. Toward the end of the year they begin transcribing after having taken letters in shorthand.

BOOKEEPING I

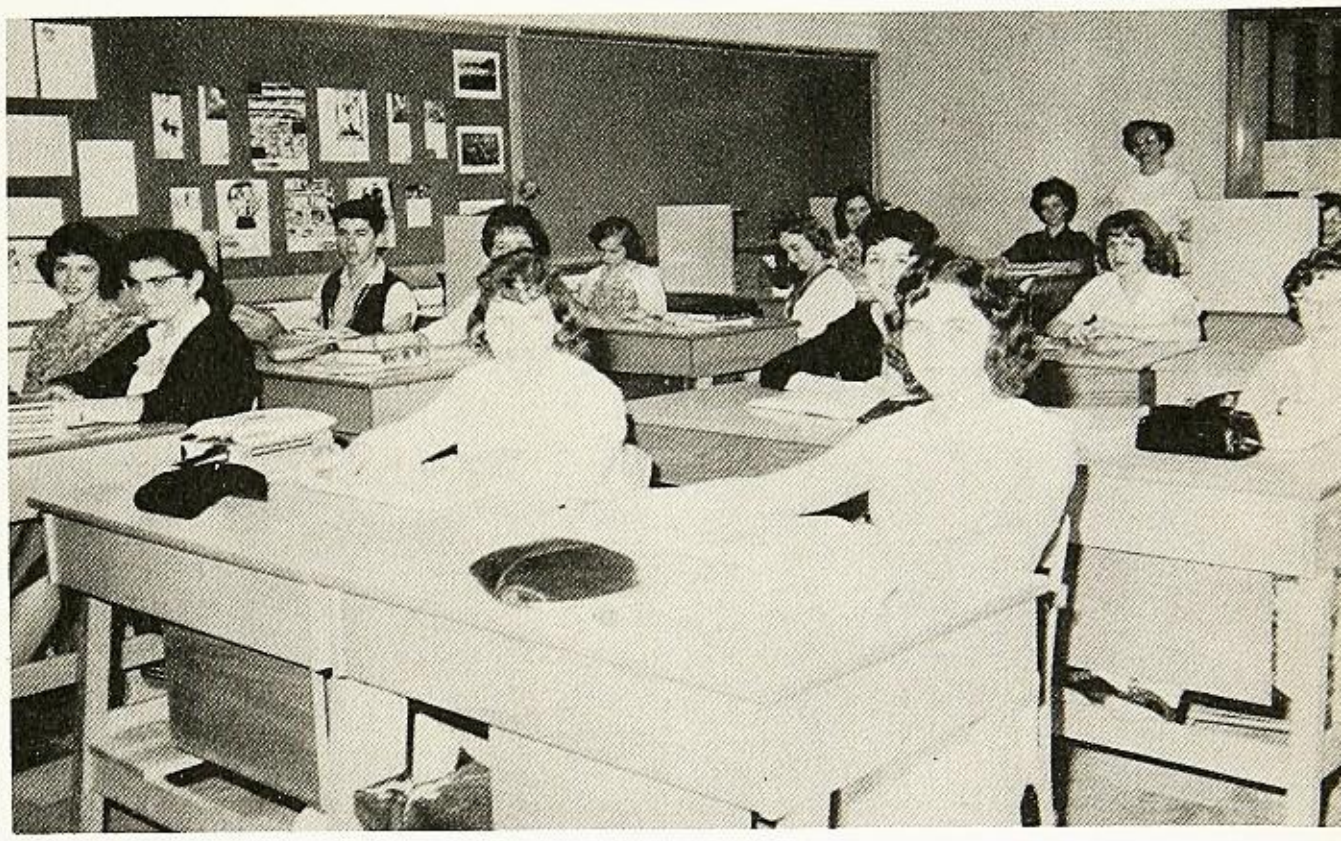
These students learn the fundamental steps in keeping office books.

BUSINESS ENGLISH

Seniors in Business English learned to write letters that are used in a Business Office, and studied grammar. They gave speeches to add to their self confidence in public speaking. Methods for job application were studied and put to practical use by these seniors in applying for office jobs.

INTRODUCTION TO BUSINESS

Introduction to Business is a course for sophomores who think they are interested in the Commercial course. Most of them continue in this course through Senior High. In this class they get a short course in all the Commercial subjects.

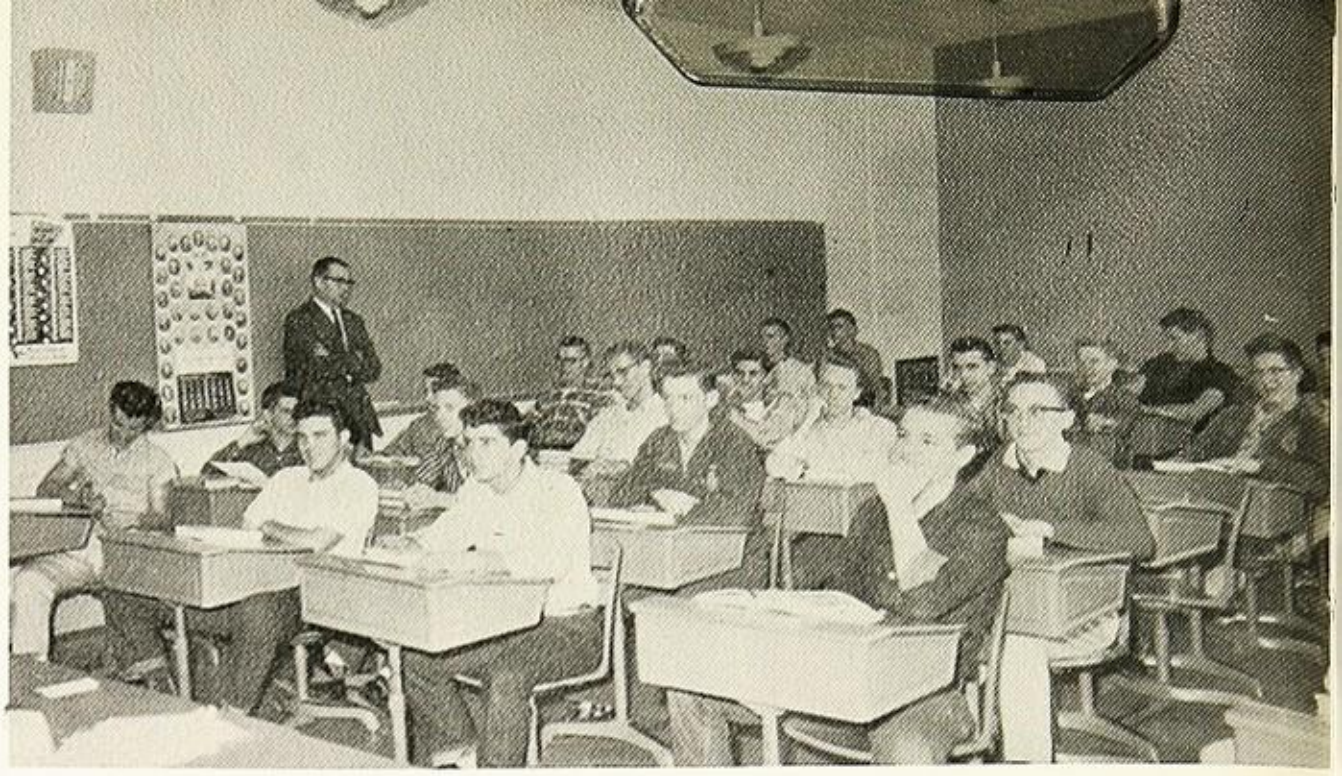


GIRLS HEALTH

Among the subjects studied by the Junior Girls this year were nutrition, circulation of blood, nerves, home safety, and first aid. Each girl chose a disease that interested her wrote a term paper on it, and gave an oral report on it to the class. Movies aided in the study of artificial respiration and other phases of first aid.

BOYS HEALTH

Junior boys this year actively participated in a study of first aid and artifical respiration, including instruction in splintmaking in the event of broken bones. They also wrote term papers on a disease of their choice and gave oral reports. The study of the human body and its systems was undertaken.



GIRLS GYM

Something new was added to the curriculum in Girls' Physical Education this year in the form of girls' events and a girls' track team. The girls also participated in the more conventional sports, such as volleyball, softball, girls' basketball, and numerous other events.

BOYS GYM

Team sports were a big part of the boys' gym classes. They held class out doors as often as the weather permitted. Basketball, football, volleyball, and softball were the main sports enjoyed by these boys. The Junior High gym classes fielded a track team which showed very well in interscholastic events.

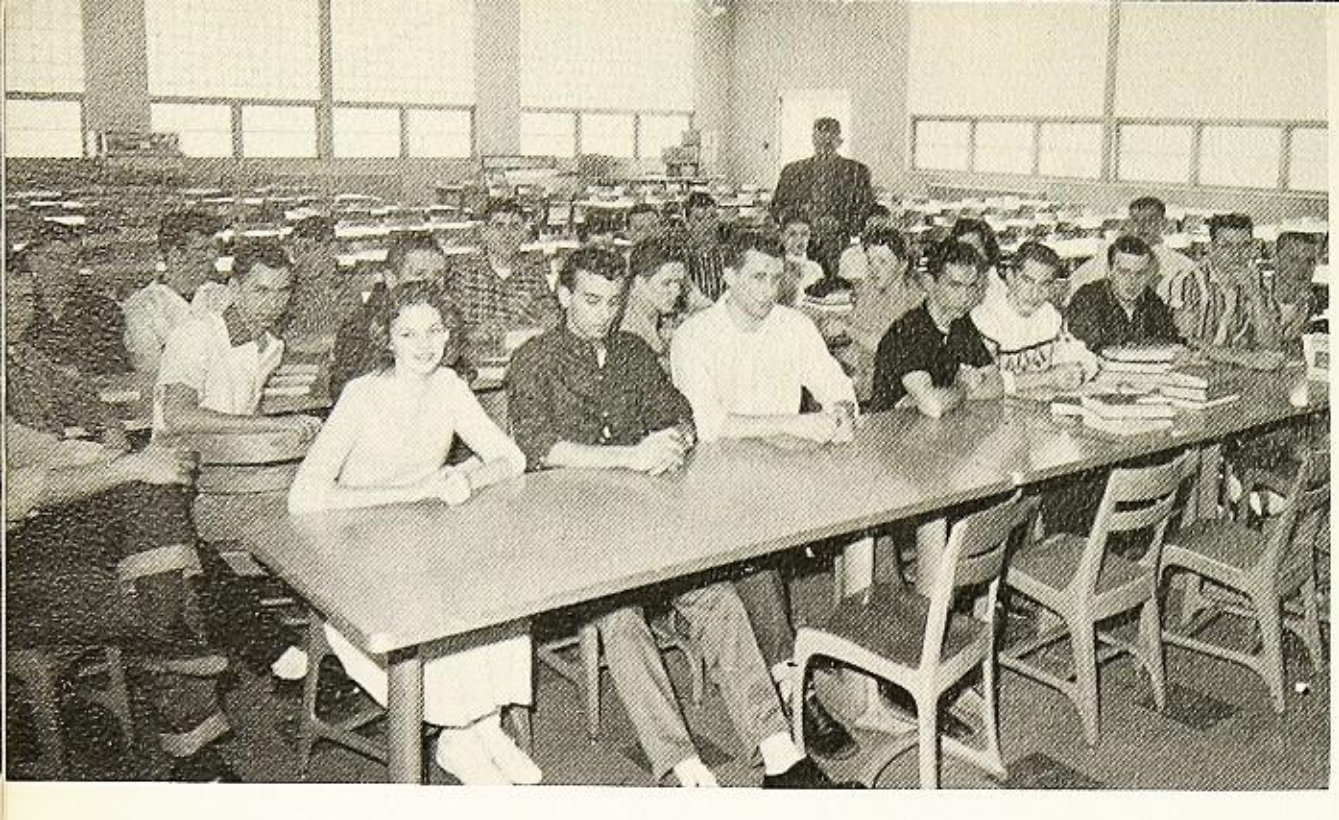
CASSIDY CAMERA CLUB AT WORK

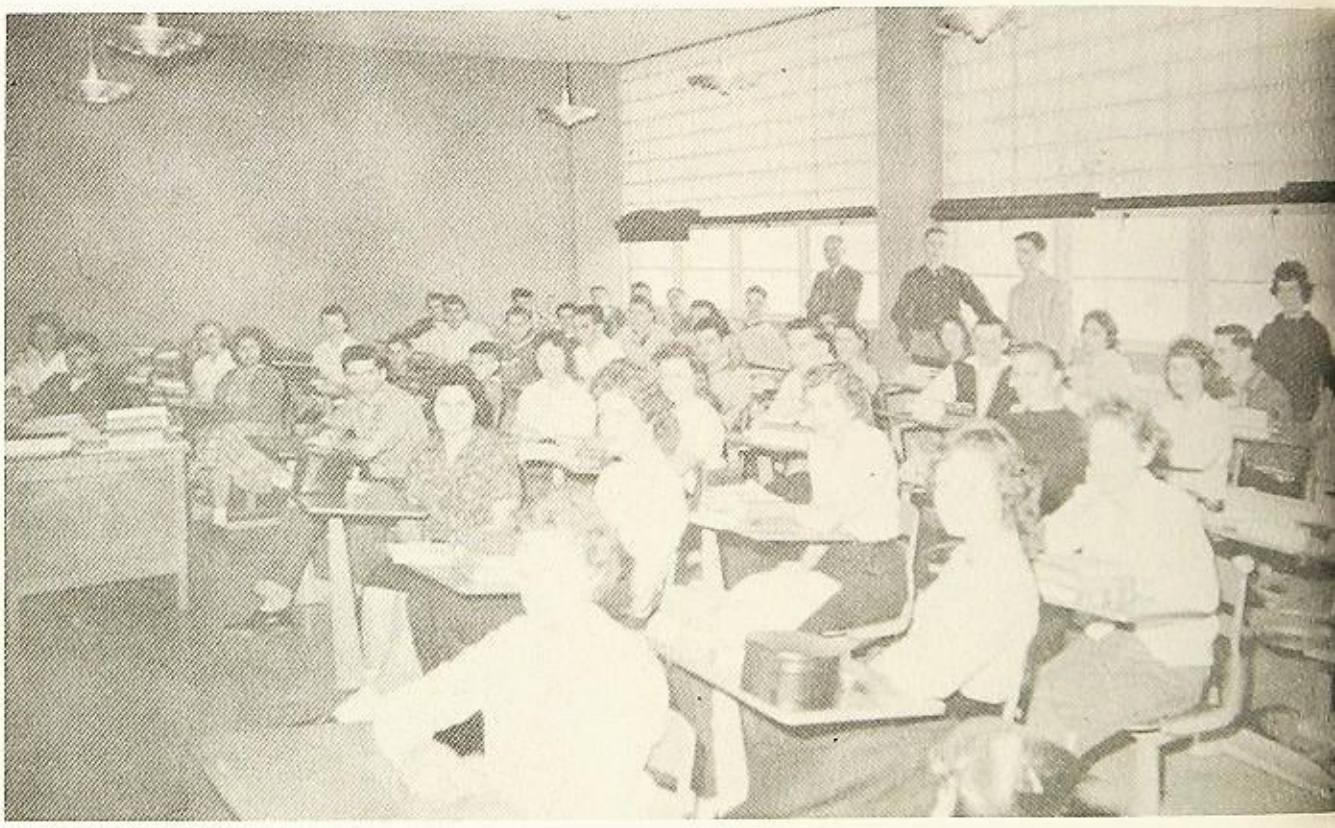


VARSITY "N"

The primary concern of the Varsity N is the purchase of jackets for those Seniors who have fulfilled the requirements in a Varsity sport or activity. To provide funds for this huge project, the members sponsored numerous Bake Sales, a hypnotist, and record dances. Under the guiding hand of Mr. Cook, the Varsity N had a rewarding year.

STUDENT COUNCIL

One representative of each Senior High homeroom participated in the Student Council, the student government body of Northwestern. They coped successfully with the problems between administration and students. Pleased with the success of our first exchange student, the Student Council is sponsoring another next year.

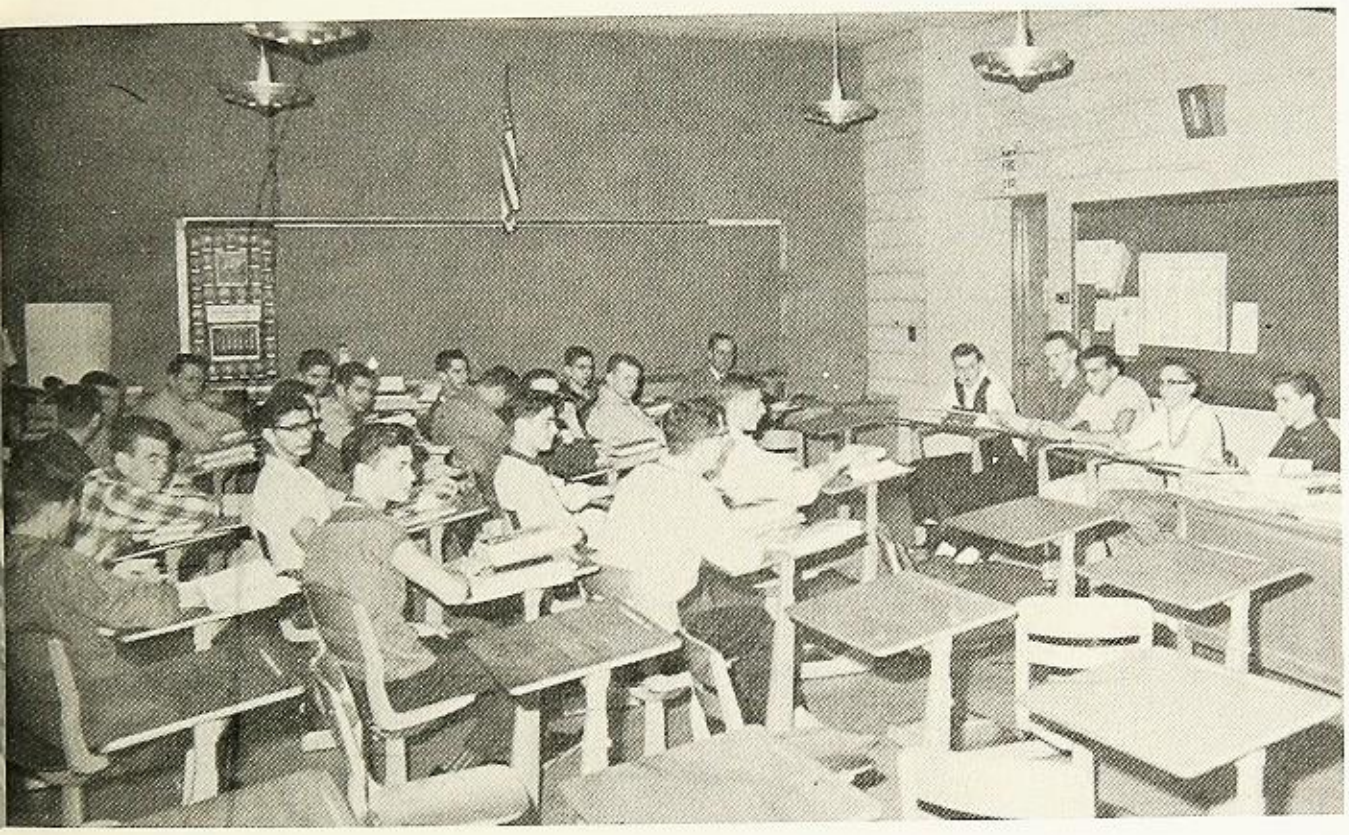


YOUTH FOR CHRIST

The Youth for Christ, one of the most active clubs at Northwestern is led by President Linda Stanton. They sponsored Rallies, Bible Quiz Contests and Funspirations throughout the year. A group of members went to Washington D. C. during Christmas vacation for a meeting of YFC members from many places. All who went reported an interesting and profitable trip.

TRI—HI—Y

The Tri-Hi-Y this year, under the direction of Miss Kenney, participated in many activities. The offices were: President, Susan Barton; Vice-President, June Bishop; Treasurer, Roberta Jones; Secretary, Phyllis Hill; Chaplain, Betsy Barton; Program Chairman, Orla Shup. They presented a Thanksgiving program plus Social events for the club. Many of the members attended District Council. Susan Barton was Chaplain for this organ.



HI—Y

Under the direction of Mr. Taylor the Hi-Y had a successful year. Offices were: President, Harold Johnson; Vice-President, Tom Thompson; Treasurer, Louis Taylor; Secretary, Richard Sturtevant; Chaplain, Richard Cassidy and Program Chairman, Jim Maxwell. Hi-Y participated in District Council having two representatives Dick Cassidy and Jim Maxwell. Tom Thompson was president of the District Council. Dick Cassidy will be the District representative to the World Youth Conference at Amsterdam.

LIBRARY CLUB

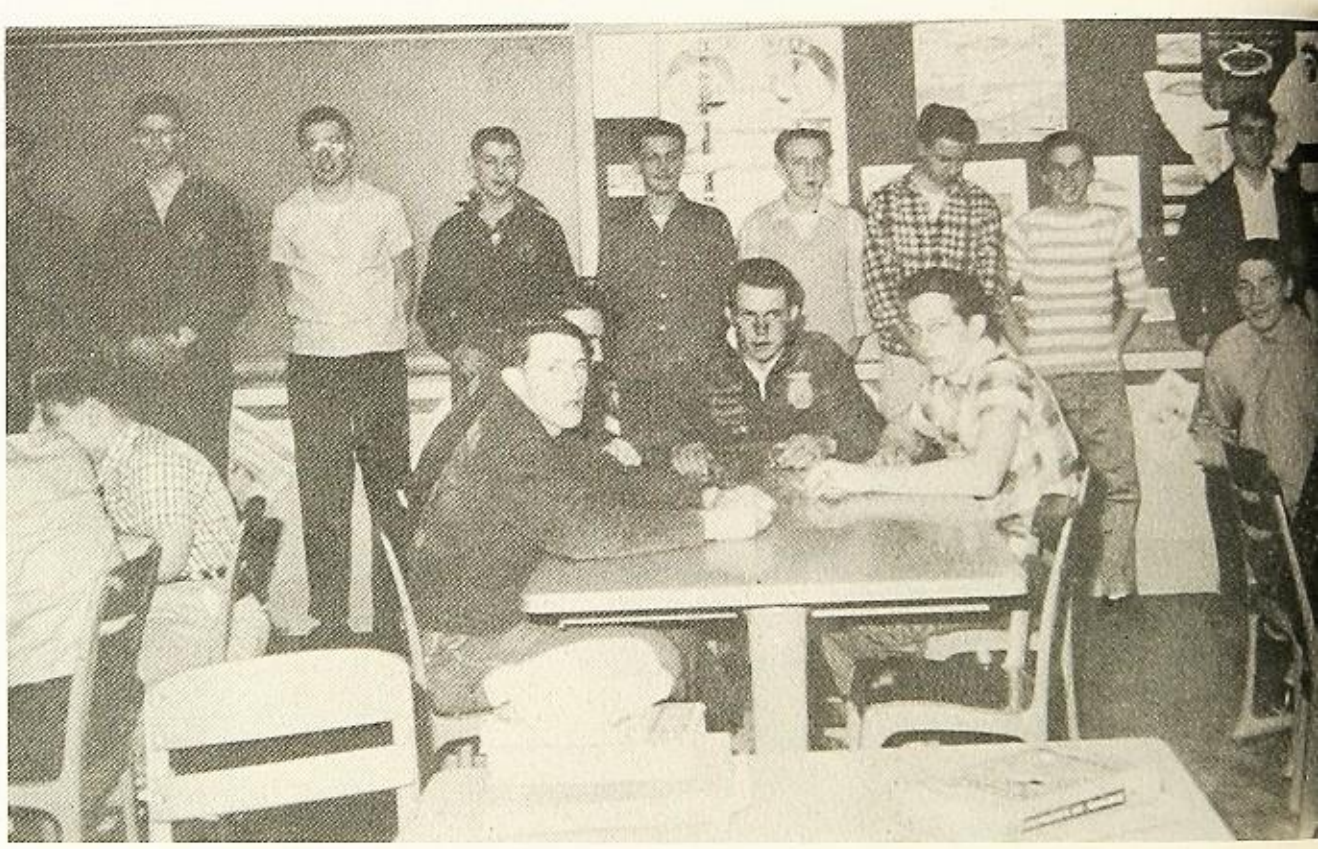
Members of the Library Club assist students and teachers in making full use of our library facilities. They work behind the desk, checking books in and out, freeing Miss Pfau for more exacting work. Mending and arranging books also is taken care of by the industrious members. The Library Club and Miss Pfau were of great assistance to students writing term papers and reports for semester projects. The student body extends their sincerest thanks.

F.H.A.

Most of the members of the FHA are enrolled in the Vocational Homemaking course. Their purpose is to promote a genuine interest and appreciation in and for the joys and satisfactions of homemaking as a fulltime career. Their annual May Day program is enjoyed by the entire student body.

F.F.A.

The Future Farmers of America Chapter of this school had a very interesting year under the guidance of Mr. Osborne, their advisor. They participated in most of the county activities including the Livestock Parade. They also went to television station WICU to take a part in the livestock programs which participated there.



SR. PROJECTION

Senior Projection Club is a club that takes care of all the visual aids used in teaching and otherwise in the school. The school owes a debt of gratitude to this club, who under the guidance of Mr. Dovensky, did much to help the school this year.

NEWSPAPER CLUB

Several editions of "Wildcat's Roar" were published by this year's newspaper staff to inform the student body of happenings at our school. Pictures, Hit Parades, Personalities of the Week and Question of the Month were a few of the features that added interest to the student publication. Mr. Shellhammer advised and directed the staff members.

MODERN MUSIC MASTERS

Standing: Mr. King, June Bishop, Patty Martin, Sonny Tozier, Mary Silfies, Jerry Leehan, Linda Stanton, Alan Carr, Sandra Martin, Dick Cassidy, Mr. Harpster. *Seated:* Lily Batuski, Jean Chiro, Shirley Chromik, Gloria McArthur.

Northwestern Chapter No. 314 of the Modern Music Masters Society is an honorary service group working within the music department. Its members are chosen from among the outstanding music students who meet the requirements in character, leadership, scholarship, and service. With the help of their advisors, Mr. William King and Mr. Daniel Harpster, the group planned and carried out two successful money-raising projects this year, a fish supper in the fall and a candy sale in November. The proceeds from these activities were used to pay the balance on a Steinway Baby Grand Piano donated to the school by the music department. The remainder of the proceeds were applied to the band and chorus funds.

The organization of the club is outlined below:

President	Gerald Leehan
Vice-President	Patty Martin
Secretary	June Bishop
Treasurer	Sandra Martin
Historian	Dick Cassidy

PEP BAND

The Pep Band or "Blue Notes" had a very active year. They played for all the pep meetings and home basketball games. Music was also provided for the Junior Play and "Clambake." Practice was held every Thursday after school. Dick Cassidy was the student leader. The members were: Linda Stanton, June Bishop, Mary Silfies, Tom Farver, Dick Cassidy, Jim Demenik, Sonny Tozier, Allan Carr, Bob Turner and Patty Taylor.

BAND SECTION LEADERS

Section leaders are the best instrumentalists in each section. They are chosen by tryout and are commonly called the first chair people.

DANCING MAJORETTES

From Left to Right: Betty Shakespeare, Pat O'Leary, Bonnie Smock, Roberta Jones, Donna Rausch, Shirley Chromik, Sue Stahlman, Diana Gage.

BAND OFFICERS

The officers in band were not very active this year. Their main job was to supervise any extra activities. Jerry Leehan, President; Sonny Tozier, Vice-President; Kathy Kuvlesky, Secretary-Treasurer.

Claudia,
Good luck in all that
you do and you made a "Grape"

DISTRICT BAND

District band was held at East High School, Erie, Pennsylvania, this year. Those attending from Northwestern were: Tom Farver, Baritone Sax; Jerry Leehan, Clarinet; Louise Farver; Bass Clarinet; Patty Martin, Flute; and Sonny Tozier, Trumpet; Linda Stanton, Trombone.

Tom Farver represented Northwestern High School at regional band held at State College, Pennsylvania. Paul Yoder was the guest conductor.

SPRING

The activities of the band for this year were quite numerous. They marched for the football games and several parades in the area. A pep band was started to provide entertainment for pep meetings and all home basketball games. The highlight of the year was the Spring Concert, which was a very colorful event. Preceding the Concert a banquet was held in honor of the musicians; a delicious fish dinner was served to all attending.

CONCERT

Some of the songs on the program were:

"Maracaibo"
"In a Persian Market"
"Toccata"
"Amparito Roca"
"La Banda Nascente"
"Music for a Carnival"
"Sea Portrait"
"The French Quarter"

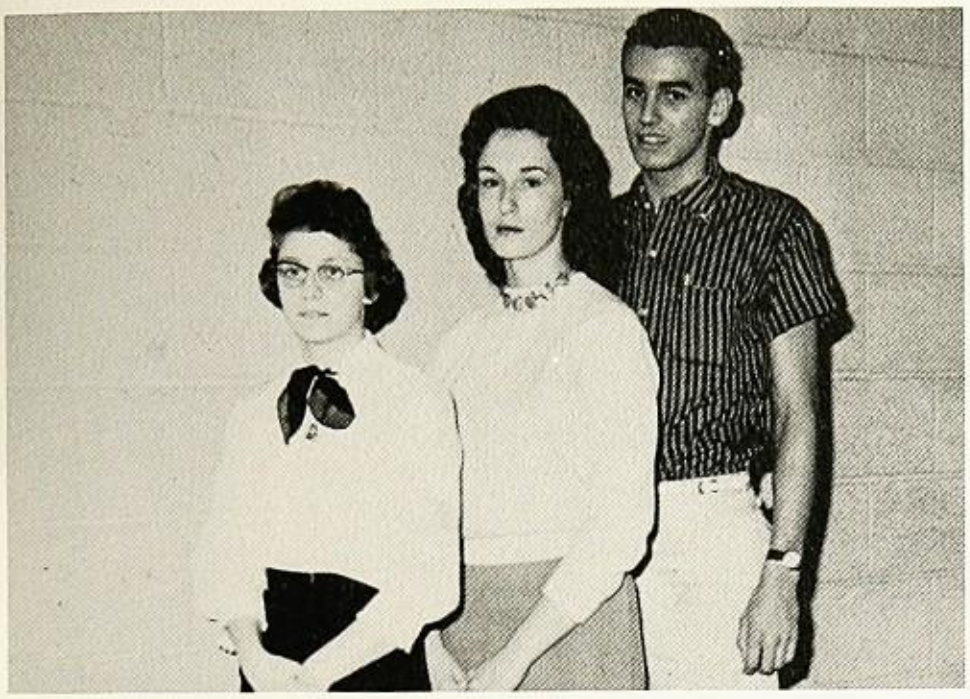
DISTRICT CHORUS

Disrict Chorus was held at Oil City and Ron Pomeroy, Dick Cassidy, John Reagan, Sandra Martin, Jean Diehl and Jan Morrison were present from Northwestern.

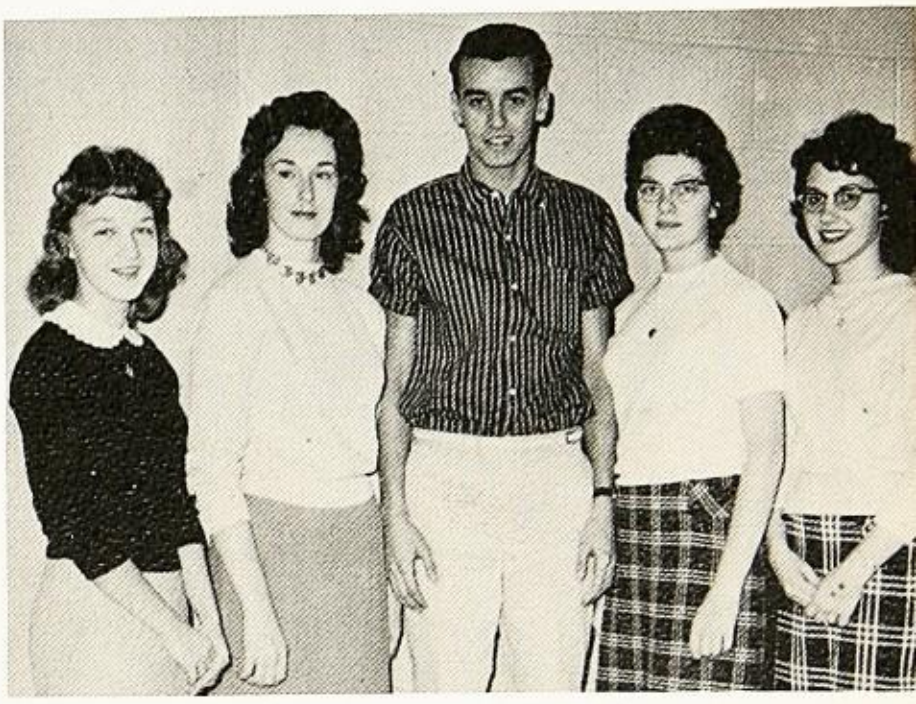


CHORUS OFFICERS

The officers had a fairly busy year. They were headed by Harold Johnson as President, Jan Morrison as Vice-President, and Orla Shup as Secretary-Treasurer.

SECTION LEADERS

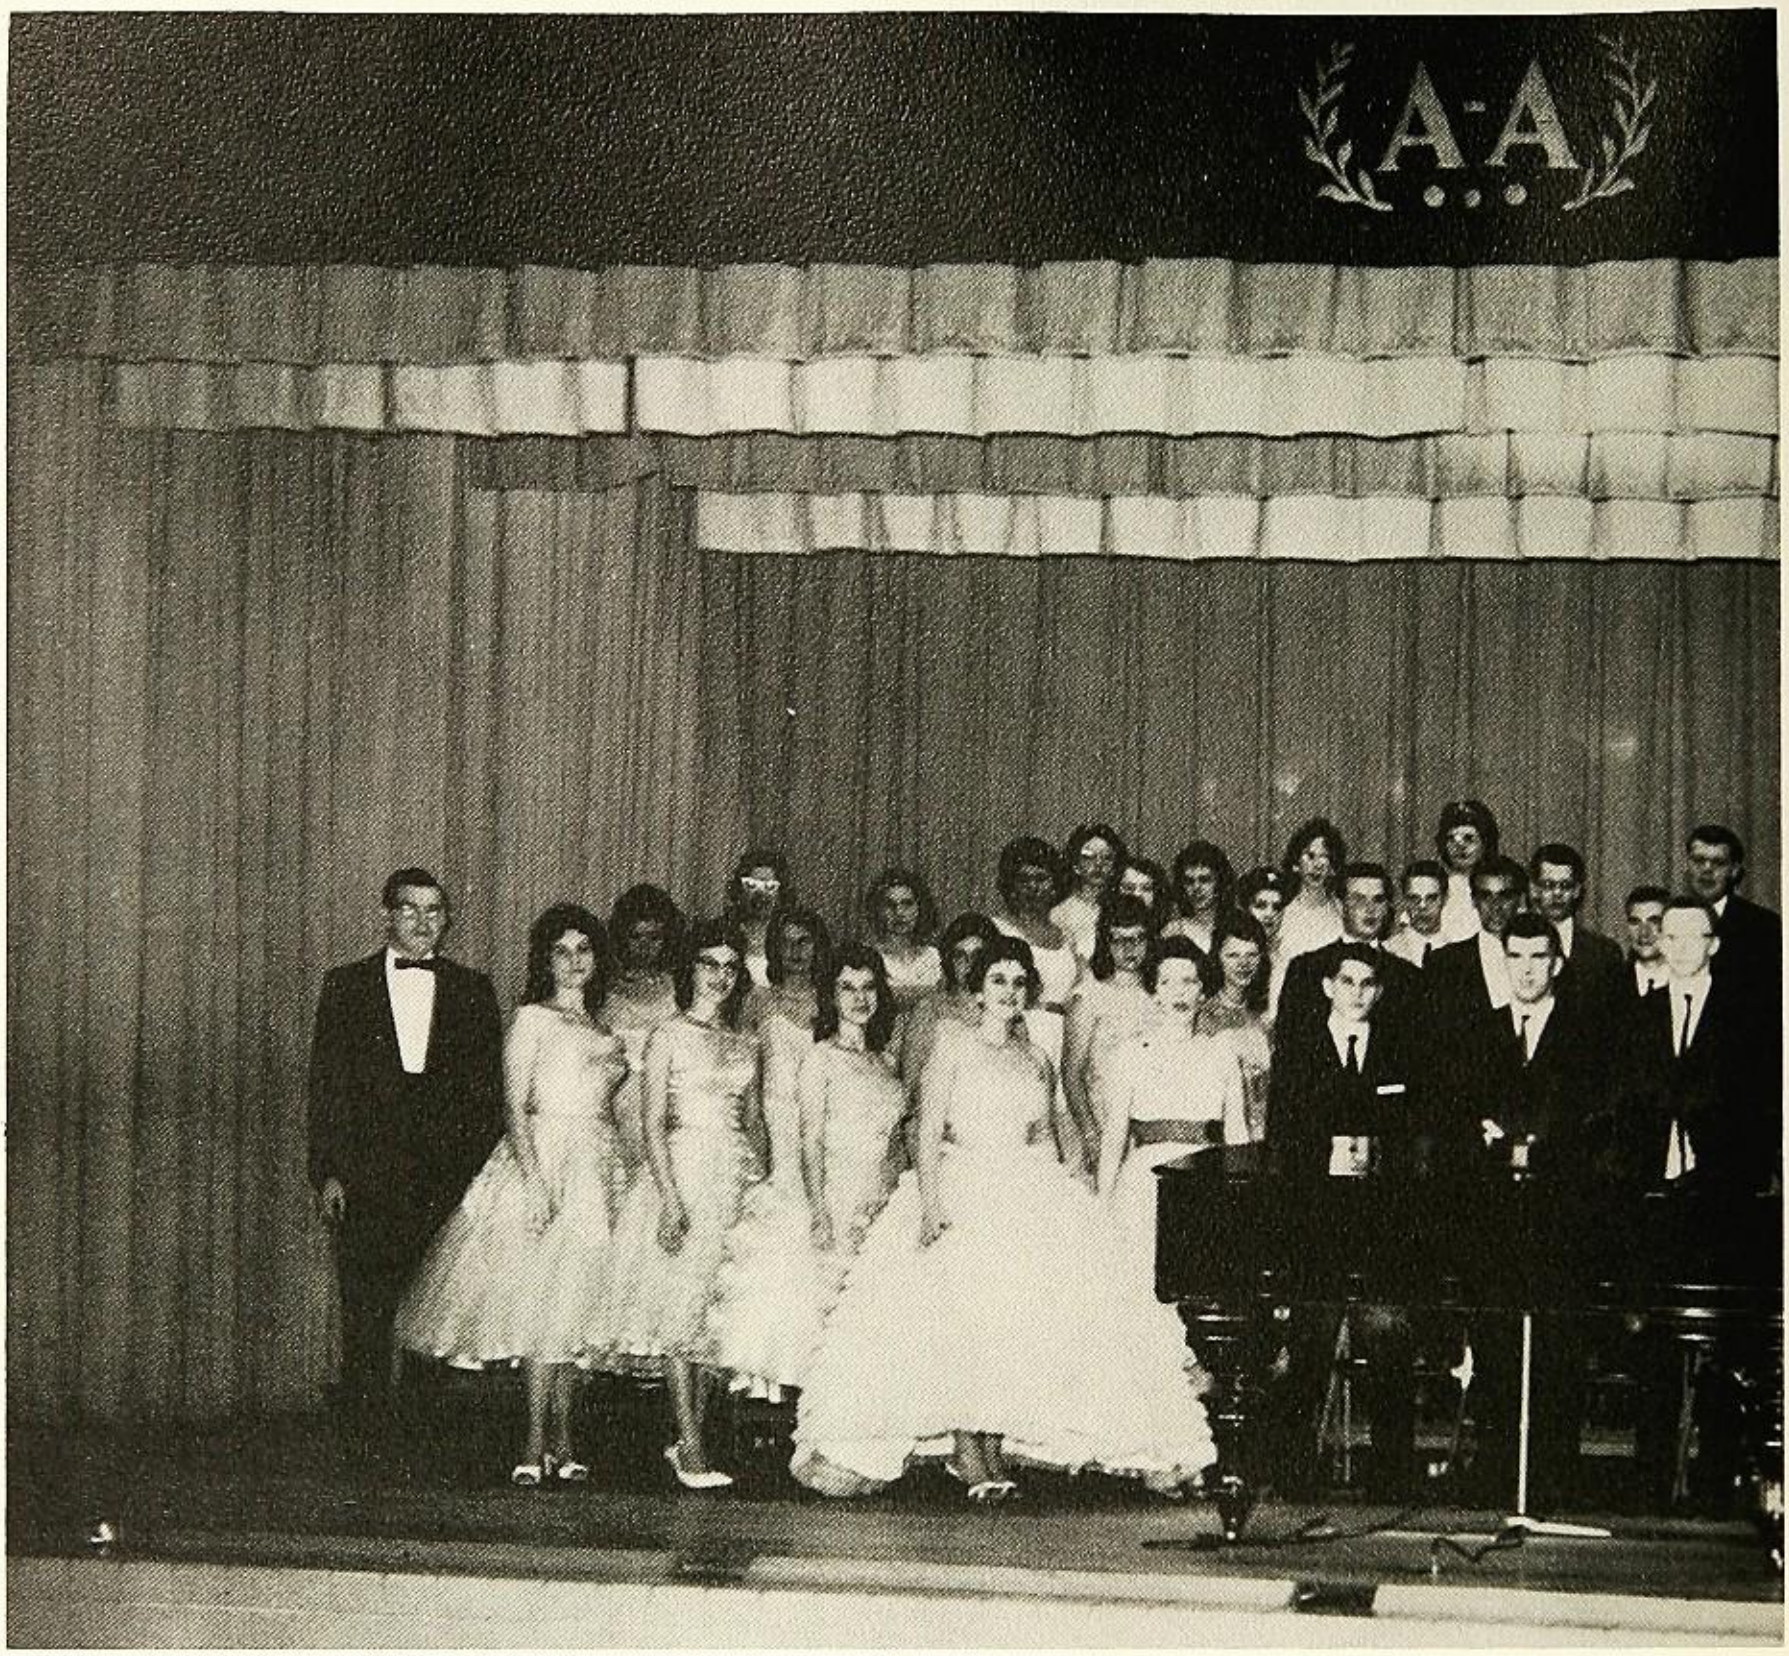
These people have the task of keeping the roll for chorus and usually take charge of ticket sales. They are: Margie Zemcik, Jan Morrison, Harold Johnson, Ann Rouse, Jean Diehl.



ACCOMPANISTS

Gloria McArthur, Mary Silfies, and Sandra Martin were accompanists for chorus as well as many other organizations. Much time and practice was spent in preparing the pieces, as was evident.

SPRING



The chorus spent many hours in rehearsals preparing for their programs during the past year. Besides providing entertainment for the Thanksgiving day program and Christmas Vespers, the chorus held its annual "Clam-bake." As usual the Spring Concert was the biggest event of the year. As a special number the band and chorus did an arrangement of "Carousel."

CONCERT

The program included the following selections:

"Ride the Chariot"
"Listen to the Lambs"
"I Heard a Forest Praying"
"Give Me Your Tired, Your Poor"
"There is a Balm in Gilead"
"Waters Ripple and Flow"
"Country Style"
"Battle Hymn of the Republic"

VARSITY FOOTBALL SQUAD

This year our squad showed clean sportsmanship which was an honor to us and to them. The squad's desire to play a clean game was greater than their desire to be victorious.

It is sometimes hard to play a good game and to keep your scholastic achievements up to par. Our boys represented the diligence of our school in both athletic and academic fields.

Despite an unfortunate season, three of our players gained county-wide recognition. Ron Peters was named Lions' Club "Back of the Week" and Harold Johnson and John Kohut were named to the second All County team.

SENIOR HOT-SHOTS

Coach Kromer guided Northwestern's Varsity Basketball team through a long, hard-fought season. We will long remember the number of games won and lost by less than five points. As the season progressed, the boys' sharp-shooting improved, and we ended the season with a near-even score board. County coaches and officials note the sportsmanship of our team with increasing admiration. The entire student body owes the team a vote of thanks for a fine season.

Northwestern did very well with its second wrestling team in the history of the area. Mr. Twardowski's coaching and enthusiasm led our team to quite a respectable standing in the county. A member of the team, John Reagan, is the county wrestling champion in the unlimited class. Lack of boys for all the weight classes was the main problem this year, but we hope to correct that in the future.

One of the most beautiful Proms in the history of our area was presented this year by the Junior Class. The theme was "Evening in Ecstasy" and the decorations were those of a medieval castle, complete with a dark, mysterious dungeon. A huge crown of more than 8000 paper carnations graced the center of the gym floor, making it the center of attraction for all who attended. A lowered ceiling and "stone" walls decorated with coats of arms gave the effect of the inside of the castle. A royal coach was placed at the entrance, providing a glamorous beginning for a glamorous evening. A special added attraction, new this year, was an outside patio for those who needed a breath of fresh air during the memorable evening.

May Day

The May Day Program is planned by the Future Homemakers of America under the direction of Mrs. Harpst. It honors those seniors of the F.H.A. who have shown outstanding achievement in their work.

The queen chosen this year was Virginia Petrus. Her court included Judy Parabek, Judy Matthews, Carol Devies, and Bonnie Taylor. The honorary court included Linda Althof, Alice Dibble, Shirley Adams, Sandy Gulu, Carole Murkens, and Pat Marcinowski.

Seventh grade girls volunteered this year to do the customary May Pole Dance. With much practice they were able to do a fine job in helping to make this May Day Program a big success.
